Chili Heats Up Colorado

On Saturday, August 28, the first "Mountain States Chili Cookoff" took place at Mountain States Children's Home in Longmont, Colorado. This Cookoff was held in conjunction with the Children's Home annual "Bargain Auction" to help benefit this more than worthwhile organization.

Although the Bargain Auction was the premier attraction, there were plenty of hungry people to go around. The skies were blue as the chili simmered. Chili lovers gathered in a sea of activity amongst a steady cadence from the auctioneer. Not only did the weather cooperate with a beautiful "Chamber of Commerce" day in Colorado, but the Children's Home with the help of the Longmont Jaycees did a superb job of organizing and putting the event on - I speak here for any cookoff, never mind a first time event!

With good representation from Wyoming and Colorado, the cookoff proceeded without a hitch. The Bargain Auction that was in conjunction with the cookoff kept the event hopping the entire time. A few cooks went home with truckloads of "bargains" to boot.

The staff at the Children's Home would like to have us back next year to hold the event again. It seems that a lot of people who came out for the cookoff ended up at the auction instead.

And now to the Winners - In our Green Division, Steve Lee of Longmont, Colorado, took top honors closely followed by Robert Batie of Loveland. Showmanship was also won by Steve Lee and his Warriors of the Crimson Pepper (Longmont, Colorado).

Steve Lee of Longmont, Colorado, was on a roll and won the Red Cookoff with his Warriors Red Chili. Robert Batie of Loveland, Colorado, took 2nd while his wife, Christi Batie, took 3rd. Lyman Wilkinson, also of Loveland and the Colorado Pod's Great Pepper, took 4th Place, and his wife, Linda, took 5th.

All of the cooks went out of their way to make this a special event. Thank you to all who participated, planned, volunteered, sponsored, got up early - and oh yes - cooked.

Steve Lee - The Big Winner!

ED Ponderings

Two years ago after the election in Tempe, Jim Ezell shook my hand and said, "Condolences." He knew the position of Executive Director was very demanding and sometimes lonely. He knew that sometimes those who you believed were friends would behave badly because their egos were more important than what was right. He knew there would always be those who helped define the rules by testing their limits. He knew important initiatives would encounter obstacles because some participants would forget the best interest of CASI in favor of their personal

agendas.

All of this is true. There are tough moments, but the good moments are in far greater proportion. The privilege of serving this wonderful organization and all of its participants – cooks, promoters, friends – has greatly enhanced my life and I am indebted to all of you. I am energized by the work and I am dedicated to continue to do my best to do what is right. CASI deserves nothing less.

CASI is composed of a large, diverse, spread out population with varied needs. I have enjoyed traveling to different regions, listening to the concerns and desires of cooks, promoters, and cookoff organizers. It is impossible to always meet these individual needs and satisfy everyone. I hope everyone understands that. My goal is to keep listening, learning, giving careful consideration, and making the decision that appears to be in the best interest of CASI. I also hope that if I make a mistake, I can recognize it quickly and get us back on track.

I have been accused of wearing rose-colored glasses. I assure you this is not true. I am the person who gets to hear about all of the "problems" from those who are unhappy. Still, I'm overwhelmed with the good deeds CASI is performing throughout the country and by the warmth and generosity of all of our members. There may be a little empty spot at the top of our glass, but let's all rejoice because our glass is quite full. We'll work together on the rest.

When I took this position, I was concerned with the adversarial tone of the rhetoric being heard. There were accusations that the Board of Directors failed to work together and, when they did, they worked in their own self interest. I think we've come a long way to settle that misperception. The only way to really know how the Board works is to attend one of their meetings. We have had an increased gallery presence at each meeting, and I believe those who have attended can attest to the hard work of the Board. I am proud that the Board members have worked together in a very professional manner over the past two years. We have tackled some very difficult issues and we have given them our best study and consideration. The best interest of CASI has always been our goal.

As I look forward, the following is a list of challenges that I think we need to address. Since our organization is spread all over the country and since we only meet together once per year, projects develop slowly. We must be patient and persevere because I feel the following are important to our future. They are listed in no particular order.

IDENTITY. We must always remember that WE all are CASI. CASI is not some thing or some person that takes care of us or solves our problems. CASI will only grow and flourish if every one of us invests ourselves in the future. It doesn't matter if you serve as a CASI official, a Pod official, a cookoff organizer, a cook, a supportive spouse, or in any other capacity. None of us are any more important than any other. We're all members of the CASI family and have a responsibility to one another. Everyone can help us become better.

CONDUCT OF CASI OFFICIALS. We need to assist CASI officials to do a more positive job. Most cookoffs that come to the Board for adjudication of problems do so because of the actions or inaction of the CASI official at that event. CASI officials need to be cognizant of the rules and to clearly follow their intent with the welfare of CASI in mind. They need to take this responsibility very seriously. CASI cookoff officials are the face of CASI to the public. The way they act speaks volumes.

We have begun a CASI Officials' Certification Program. We look forward to expanding this program, adding trainers so that it may be administered throughout the CASI world. We should consider the desirability of making this program mandatory for Referees once the program is available to all.

RULES AND TRUST. I believe we have a good set of rules that provide the framework for a standardized, fair way of regulating cookoff activities to assure fair competition. The challenges with it are that its length discourages some from reading it. Too many feel they know the rules because they have heard about them referred to at cookoffs and they fail to read them. The CASI Officials' Certification Program will help us with this.

The other challenge is that whenever a rules question is presented by the actions of individuals at a cookoff, the questionable activity always fits in the cracks between the existing rules. The 'chili lawyers' are so busy splitting hairs that we sometimes lose sight of the forest through the trees. Every time we have rules changes, we tend to make rules more specific, thus creating more gaps for the lawyers to argue. We have to keep the intent of the rules and our goals in mind. We need to use common sense.

When a cookoff problem reaches the Board of Directors level, we consider all of the facts that we have and act appropriately. We are not aggressive, but we have the courage to act when we must. CASI members can trust their Board of Directors to investigate, thoroughly discuss the pertinent rules and available facts, and to debate what measures should be taken.

We feel that there is no benefit to hold anyone up to ridicule by publicizing disciplinary measures, so we keep these actions quiet. This does not mean that we failed to act. CASI has a protocol in place and it is working.

MENTOR PROGRAM. We need to help new cookoffs, new Pods, and lost Pods to be more successful. I propose the organization of a mentor program to help. To any who would welcome the help, we could assign a knowledgeable person to advise and assist them to build membership, increase sponsorship, increase cookoffs, or whatever they would need.

PROMOTION. A popular phrase seems to be, "We're all getting older. Where are the new cooks?" The answer is, "the new cooks are out there in areas where the Pods promote chili and CASI." Unfortunately, too many Pods are not bothering to do their part. When the credentials form asked Pods to report what they did last year to promote CASI, 35% had nothing to report.

This brings us back to IDENTITY. CASI is all of us. Let's all get aboard, invest ourselves in the cause, and work together to assure a great future. I remain your dedicated servant in these endeavors.

Terlingua School

Jackie and I just returned from Terlingua after attending the annual Clay Henry Cookoff. While there, we visited with Janelle Brady, the dance teacher at the school. Ms. Brady has been selected as the Grades K-12 Texas Dance Educator of the Year for 2004. The selection was made by the Texas Association of Health, Physical Education, Recreation and Dance. The award will be presented at the Annual Conference in Arlington, Texas, during December.

Many CASI chili cooks will remember that Janelle and her talented dancers perform annually at TICC on Scholarship Day. Congratulations, Janelle Brady, on earning this prestigious award!

Things to Remember At TICC

Everyone pack your gloves and work clothes and participate in the highway litter pickup at 10:00 a.m. on Thursday, November 4, at TICC. We'll meet in front of the stage area and proceed to the highway to see who can find the best treasures!

Don't forget the toys for the Terlingua children. You can make a big difference in a child's life and help determine if they have a Christmas or not.

A View From The Top of an Old Chilihead

We made it home last night from the little Republican town with a lot of donkey problems. D C is a great place to visit, but much more fun to leave. I'm writing this article tonight wondering if it will make the deadline for the Trails, while praying Renee & Randy got the hell out of Gulf Shores, Alabama.

Before our meetings in D C we were in Baltimore for the Great Peppers Meeting. Baltimore is a neat city to visit and made a wonderful venue for the CASI meeting. I want to thank all of the Mason Dixon Pod members and all the volunteers from the other local Pods for their hard work in making this a successful event. I'm not going to try and mention everyone by name, because I would probably miss some. I'm sure a few did a lot more than others, but I enjoyed the results of everyone's efforts. Thanks to all of you. The meeting overall went smoothly and was very informative. The only thing I was disappointed in was that CASI did not do a little something special for the Twenty Fifth Anniversary of the Great Peppers Meeting. When we had the first one I could not imagine having a twenty fifth. There were three persons at this meeting that were at the first: Richard & Carol Knight and myself. I will revisit the first Great peppers Meeting in next months article and do some comparisons.

Jim Stateczny retired from the board at this meeting. I was not a voting delegate at this meeting and could not talk. I wanted to stand up and recognize Jim for his good work since no one else did. So, I'm going to take this opportunity to put it in writing.

Jim Stateczny was elected to the board in 1994 at the Great Pepper Meeting in Lubbock, Texas. At that time I told him, "I'm so happy you are going to be our CASI Treasurer, I will not have to worry about CASI's money as long as you are controlling it". And until this day I have not because Jim is honest, intelligent and has CASI's best interest at heart. "I also told him to get ready to handle a lot of BS, innuendo, rumors and character assassinations". Unfortunately this is part of being on the CASI board. But it is ten times more so for the treasurer. "I also told him that he and I would not always agree on many issues". Sure enough, we didn't. But, we could always talk about any thing about which we disagreed. I admire you and you have my respect for being able to do a great job for ten years. I think everyone in CASI owes Jim a big thank you. He has earned your respect and gratitude.

It is time to start cooking for points again. On October 1st we are all even. Good luck to all of you.

Until next month, I will see you on the trail to Terlingua.

Corporate Member Spotlight

It's always great to welcome new Corporate Members to CASI. This month the welcome mat goes out to MS. TRACY'S CAFÉ in Terlingua, Texas. Ms. Tracy is also a "charter member"

of "Friends of Texas Ladies State" Chili Championship which started in 1999 to support the CASI Ladies State Championship.

If you are one of the many chili cooks who eat breakfast at her restaurant, you'll really be pleased this year. She has MOVED and is now located in the Terlingua Ghost Town area where "When Pigs Fly" was. The new location provides for more room inside and just a great outside patio area. I was eating breakfast outside on the patio when the sun was coming up; what a terrific view.

The menu is still pretty much the same with great food at reasonable prices. Stop by and have some breakfast or lunch while you're at TICC and welcome her. The hours are 7:00 a.m. till 5:00 p.m. As I mentioned last month, Ms. Tracy is also donating some door prizes for the Krazy Flats Open House this year.

Remember: Krazy Flats Concession Stand "OPEN HOUSE" at TICC on Thursday from 2:00 p.m. to 4:00 p.m. We have door prizes, special beer prices, snacks, and the special 2004 edition of the KRAZY FLATS T-SHIRTS – only a limited amount and last year they sold out in less than 2 hours; come early.

TICC Registration

All cooks and showmanship registrations for the 2004 Terlingua International Chili Championship will be behind the presentation stage on Thursday, Friday, and Saturday. The times will be Thursday, November 4, from 11:00 a.m. until 3:00 p.m.; Friday, November 5, starting immediately following the Old 320 meeting (approximately 10:30 a.m.) until 2:30 p.m.; and late registration Saturday, November 6, from 8:00 to 9:00 a.m.

"Heightened security concerns" have affected many facets of our daily lives, and TICC has not escaped these concerns. There are a couple of new procedures that will be instituted for this year's TICC registration. The registration tables will be set up with alphabetical stations, plus one for membership. Upon entering the registration area you will go to the station corresponding with the first letter of your last name and receive your name badge, judging cup, and contestant shirt from one of our volunteers. If you have not renewed your membership or need to join CASI, you should first go to the membership station to get your name badge.

In order to get your badge, you will have to produce a picture ID. So, be prepared. This procedure requires each contestant to register for themselves. If you have a physical condition that would prevent you from coming to the stage area, let us know and we will come to you.

If you are registering for showmanship only, you may bypass these stations and go to the showmanship registration table.

Showmanship registration will be conducted at the same times as cooks' registration, except it will be by the Head Show Judge at a separate station. A picture ID will not be required, but current CASI membership is necessary.

A new method of distributing contestant wristbands to show team members will be implemented this year. Each small show team is permitted up to four (4) wristbands and each large show team will be allowed up to eight (8). However, only the Show Team Captain will be admitted at the gate. All other team members will be required to pay the gate admission and receive a spectator's wristband.

The Show Team Captain will supply the Head Show Judge with a list of team members. The team members may exchange their spectator's wristband for a contestant wristband with the Head Show Judge. They will also receive a voucher to refund their admission fee. The vouchers may be redeemed at the concession stand (not the beer side).

Our goal is to provide each Cook and Show Team Captain who participates in the 2004 Terlingua International Chili Championship with a contestant's shirt. It is also our desire to make sure the shirt is the recipient's correct size.

The desire to meet our goal will inadvertently result in excess contestant's shirts. These extra shirts will be offered to qualified Cooks and Show Team Captains who are unable to attend this year's TICC. Someone may pick up a shirt for you on a first come first serve basis at 3:00 p.m. on Friday for as long as the shirts last. The person you designate must present your qualification card, and your CASI dues must be current.

Bess's Best

Bulletin: September 12, 2004 - Lamar, Missouri - According to Harry, we will no longer be traveling and cooking chili. Problems have occurred and Harry says, "That is it. I've had it and can't take anymore."

Chili has become a Bad Omen in the household and since we can't go to the bank and borrow any more money for a while, Harry is pulling the plug. Or that is what he says.

For the readers of my column, you may recall that when we got back home from the Missouri State Cookoff, the waterbed was leaking and ruined the carpet in our bedroom and hallway.

This past weekend, we traveled back east to Baltimore to attend the Great Peppers' Meeting. It was just like a family reunion seeing all of our chili family. We still have friends in that area from when Harry was in the Big White House. Baltimore is only a stones throw from Washington D.C.

This time when we got home, we found the inside and outside of our shop flooded; 35,000 gallons of water leaked out and there would have been more if our son had not come by the shop Sunday morning. If I know Harry, and I think I do after all these years (and it is more than 40), come the first of November Harry will be raring to go to Terlingua.

He has settled down some now that he is home and got his computer running to keep up with what Hurricane Ivan is doing. Our very dear friends & CASI Secretary, Renee and Randy Moore, live in Gulf Shores, Alabama, and as I write this Harry keeps telling me the path is shifting more to the west. We also have many other of our chili family living in Florida and the south. Each and every one of you is in our prayers daily until all this hurricane season is over.

All in all, I think the Great Peppers' Meeting went very smoothly and I am sure there are those who think differently, but that's what makes our organization just like our country with the right to open our mouths and agree and disagree. One thing all were in agreement with was the room was too COLD in the morning session, but it was better in the afternoon session. Our room was even cold, so what does Harry do but call the front desk and has maintenance to come to our room and change the water flow on the unit in the room from cool, or air dew, to heat.

Just a couple of reminders for those who will be going to Terlingua to cook this year. Your turn-in cup will be larger (32-oz.), and you will be required to have a photo ID to pick up your Judging Cup.

The Terlingua Trails will only be printed in black and white from now on. It's cheaper to print and also a black and white edition of the paper makes all of the pictures more clear with better quality. I know the color picture thing upset Harry and put him in Bonker Land until he found out that he can go to the CASI website and download and print any picture that is in the Trails.

The CASI website is going to take on a whole NEW LOOK very shortly with many features I think you will enjoy. One I am going to enjoy is being able to go back to 2002 and pull up back issues of the Terlingua Trails. This is going to be so much faster than going through stacks of back issues.

I was going to tell everyone how once again chili saved the day for some 500 firefighters and emergency workers but have run out of time. Lamar lost three business buildings on our town square in the early morning hours of August 28. The grandkids, two of the secretaries from our City office and I cooked and served chili. Like I said, once again chili came to the rescue. More on this next month.

As usual I am late getting this to Renee and Hurricane Ivan is fast approaching the coast, so Harry and I are saying a prayer for all.

Thank you for your time this time till next time and remember to start slow & then taper off.

Bess & Harry

Things to Remember At TICC

Everyone pack your gloves and work clothes and participate in the highway litter pickup at 10:00 a.m. on Thursday, November 4, at TICC. We'll meet in front of the stage area and proceed to the highway to see who can find the best treasures!

Don't forget the toys for the Terlingua children. You can make a big difference in a child's life and help determine if they have a Christmas or not.

Vickie Childers

From the Old 320

Well, TICC is almost here and my term as your Alcalde will end. I want to say that I have enjoyed being your Alcalde very much, but I feel 3 years is enough. I will continue to work and serve CASI in anyway I can and work with my replacement.

I want to remind you that there is going to be an election for Alcalde for the Old 320 on Friday morning at 10:00 a.m. at TICC. Someone asked me about voting. YOU MUST BE AN

OLD 320 MEMBER AND PRESENT AT TICC IN ORDER TO CAST A BALLOT; NO VOTES BY PROXY.

The following are your candidates: Ralph Hay, Connie Schrade, and Bob Steinle. Please come hear their speeches and then cast your vote as to whom you would like to represent you in the Old 320. Remember, this is a two-year term.

Again, I thank you for your support the past 3 years and look forward to seeing you all in Terlingua.

*Robert "El Wappo" Schrade
Old 320 Alcalde*

On the Road to Terlingua

Fun, Fair Judging and Chili Grind All the Way

Thursday, October 28: Spend the night in Tye RV Park, Tye, Texas - (325) 691-0398. Take Exit 277 or 278 off of I-20, and the Park is 1/4 mile east of the Flying J Plaza Truck Stop. The Flying J has an RV station for fueling (competitive prices), free dumping, and propane (daylight hours only).

Friday, October 29: Breakfast at the Flying J Restaurant (buffet or menu), then on to west of Westbrook, Texas, (about 70 miles) to a comfort station for a rest stop and tequila shot. From there, it's nonstop to Odessa (about 100 miles). Take Exit 112 west of town onto FM 1936. There is a gas station and convenience store as soon as you exit at which you can get RV's in (competitive prices). Fuel will get higher after you leave Odessa. Go north on FM 1936 (about 3 miles) to Becky Sam's Tropical Bar and Grill, 2458 FM 1936, on the right side of the road.

This is the site of the GUESSWHERE 13TH ANNUAL CHILI COOKOFF. Good burgers and fish are sold here. 4:00 p.m. chili turn-in. See the *Terlingua Trails* for more info. After the cookoff, it's on to McCamey, Texas, (53 miles) for a cook's party. You can spend the night at Becky Sam's if you prefer. Chili cooks are always welcome there.

Saturday, October 30: It's the MCCAMEY 18TH ANNUAL CHAMBER OF COMMERCE CHILI COOKOFF (432-652-8202). 1:00 p.m. turn-in. See *Trails* for more info. We leave after the cookoff and head to Alpine, Texas, (110 miles) staying at the Lost Alaskan RV Park (1-800-87-3604). Here you can take that last long bath, fill up your tanks, and shop in town to get forgotten items like booze, beer, food, and ice.

Sunday, October 31: We will be leaving Alpine about 7:00 a.m. for the LAST STOP ON THE ROAD TO TERLINGUA CHILI COOKOFF at American Legion Post 653 (60 miles South of Alpine on SH 118). Noon turn-in. See the *Trails* for more info. This Post needs our support; they help us at TICC, now let's help them.

Hope to see you on the trail.

International River Runners

Golf Tournament to Benefit

Terlingua Area Volunteer Fire Department

Good news, chili-dippers. (That's slang for chili cooks that also play golf.) Lajitas Corporation has agreed to sponsor the 2nd Annual Golf Tournament benefitting the Terlingua Area Volunteer Fire Department. The golf tournament will be coordinated by the International River Runners with CASI help.

Last year's tournament raised over \$4,700 for the Fire Department. If you played last year, I will try to contact you directly provided I have your email or mailing address. I will also try to get the entry form included in the October Terlingua Trails.

To ensure that you get the entry form in time to beat the deadline and secure your spot, please contact me directly by email: dustyd@austin.rr.com and I will send you the form. The format will be the same as last year with two tee times (8:30 a.m. and 1:00 p.m.), a blind draw for partners (handicapped), and scramble. Lunch will be served between the morning and afternoon rounds.

I will accommodate tee time requests insofar as possible, but the blind draw is final. The cost is \$65 which includes golf, cart, and lunch. All proceeds will go to the VFD. Act now to get in the "swing of things". Thanks.

Dusty

Four Corners Regional

Red River, New Mexico

"The Four Corners Regional "weekend" in Red River, New Mexico could not have been any better! The weekend actually started Thursday night with a series of musical events that spiced up the town. Friday's events were numerous, including a very memorable mountaintop concert and luncheon (the venue was accessible only by chairlift) and the evening cooks' party.

Saturday was one special day! Cooks from a variety of states, including Colorado, New Mexico, Arizona, Texas, Oklahoma, Illinois, Wyoming, Kansas and Florida, were able to easily setup in the downtown park; the RVers were even able to cook adjacent to their rigs. The day was filled with the smells of chili (red and green) and the sounds of nonstop live music. Most importantly, this cookoff, which attracted 46 red entries (20 green and 18 salsa), raised over \$6,500 for the local charity - the Red River Charter School. Over 675 paid samplers were served, and more could have been served if they had not run out of the "special" chili mugs and chili samples! If you were not there this year, you should consider attending next year!

The town is wonderful! There are multiple places to eat, fun nightlife, good shopping, a variety of lodging opportunities (including motels, lodges, condominiums, moderate and upscale RV Parks and camping and RV spaces in the National Forests - all of these are located within two miles of the cookoff site), excellent daytime and nighttime music and a town that really goes all out to make the cooks feel welcome!

And now the results: Janita Hinds of Livingston, Texas, who is completing her "chili run" through the Rocky Mountain West, took first place! The other top finishers included the following: 2. Pete Braly (Tucson, Arizona), 3. Sally Papan (Midland, Texas), 4. Rick Thomas (Alto, New Mexico), 5. Patsy Elliott (El Paso, Texas), 6. Robert Batie (Loveland, Colorado), 7. Bobby Elliott (El Paso, Texas), 8. Steve Lee (Longmont, Colorado), 9. Sherdon Denny (Boulder, Colorado) and 10. Randal Papan (Midland, Texas).

Green chili winners were as follows: 1. Jan Minear (Cheyenne, Wyoming), 2. Vicki Esford (Florida) and 3. Steve Lee (Longmont, Colorado). The Salsa winners were 1. Rick Thomas (Alto, New Mexico), 2. Karen Thomas (Alto, New Mexico) and 3. Elaine Cisneros (Questa, New Mexico). The showmanship division was captured by Garry Gray (Howe, Texas). Second place in this category was Roger Keasler (Red River, New Mexico) and third place was Steve Lee (Longmont, Colorado)

Thanks to all of the cooks who attended and to the folks in Red River! We are already looking forward to next year's event!

Child of Chili

There is an upcoming cookoff in Deland, Florida, and the organizers asked me to write something about how I got started and this is what I wrote. Hope you enjoy!!

My mom and dad went to their first chili cookoff in Grand Prairie, Texas, in 1976. They came upon a bunch of wild chili cooks and decided from day one that they were their kind of fun. They formed a chili team and named us "The Bottom of the Barrel Gang". Each weekend, mom and dad would drag me (5 at the time), my older sister, Lisa, 8, and my younger sister, Kristi, 1 1/2, across Texas to every chili cookoff they could find. Each Monday, mom would unload the van from the cookoff the weekend before, then on Wednesday night she would reload the van for the following weekend. It seems like we had a chili cookoff somewhere every weekend.

As I grew into my teens, I got involved with the junior cooking division. I won some and lost some. After I graduated from High School, I moved to Florida and became involved with other things and stopped cooking chili. Mom and dad called every weekend to let me know what place they got; they were still chasing points for Terlingua - the International World Championship Chili Cookoff.

In 2000, I asked mom and dad if I could go with them to Terlingua and once there, I discovered that this was what was missing in my life. I was born into chili and it was in my blood. I came back to Florida with a new perspective in life..... to go cook! I soon found out that it wasn't about winning like I thought it was when I was cooking in the Junior Division in the 80's. It was more about going out there and making all the friends on the chili trail and raising money for charities. Winning was a plus, if you got lucky that day.

You can see the 1978 group picture of "The Bottom of the Barrel Gang" on my website - <http://knightsisters.tripod.com/terlingua/id6.html>. You can see my sisters and me and how young we were. Who'd have thought almost 30 years later we would still be cooking.

I am now the Treasurer of the Sunshine State Pod in South Florida and traveling, when possible, chasing points for Terlingua. I have a 9-year-old daughter, Abigail, who I'm raising in the same chili world in which I was raised. I'm teaching her the chili values. It's about friends, charity, and congratulating the winner at the end of the day.

Thanks

I would like to express my appreciation for the support shown to me in my re-election to the CASI Board of Directors.

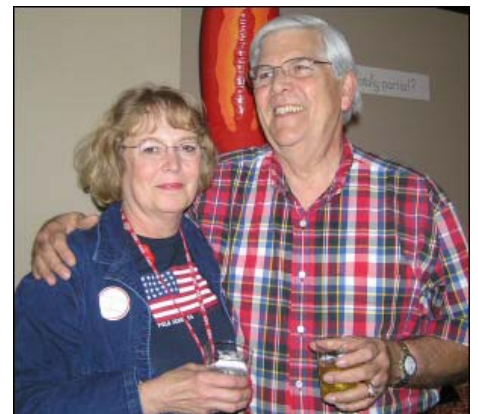

Also, a big thanks to everyone involved in making the Great Peppers' Meeting a great event. The opportunity to again visit Baltimore and the DC area and take on eating those crabs was wonderful. Thanks.

Free Quarter Page Ad to CASI Pods, State, Regional and International Opens

As a CASI Pod you are required to put on a pod cookoff once a year. To help you advertise your pod cookoff we allow each pod to place one quarter page ad in the Terlingua Trails, each year, free of charge. This ad should run the month before your cookoff occurs. Should you decide that you need an ad larger than a quarter page we will simply bill you for the difference in price. This ad should not be confused with the article advertising your cookoff in the "Cooking with CASI Calendar" section in the Terlingua Trails. That article will start to run as soon as you request your cookoff packet and will run until your cookoff occurs.
