

**Chili Appreciation Society International Board of Directors Meeting**  
San Antonio, Texas – September 11, 1992

The Board of Directors meeting was called to order by the President.

The Secretary called the roll. The following members were present.

Robert Bell, President - **RB**  
Ralph Hay, Vice-president - **RH** (late)  
Mike Strack, Secretary - **MS**  
Bob Whitefield, Treasurer - **BW**  
Hut Brown, E.D. - **HB**  
Bobby Aldridge, Director - **BA**  
Glyn Gaines, Director - **GG**  
Bruce Pinnell, Director - **BP**  
Nancy Spinks - **NS**

The Board discussed the minutes of the CASI Telephone Conference Board Meeting of July 27, 1992. Page one, column three of the minutes were modified as follows:

The discussion concerning trophies. We will present trophies for the top ten chili winners and the top five three-places for both the large and small show teams.

**RB** has made arrangements for the cooks and CASI officials golf shirts. This years colors are black with white lettering. We will provide shirts for all contestants. The CASI officials shirts will be available for the Board of Directors, outgoing and incoming Great Peppers, and Regional Referees, and Area Referees who show up to work. **RB** will take a poll at the Great Peppers meeting to determine the sizes needed.

**BA** moved to approve the minutes as modified. Second **GG**. All yes. Motion Passed.

**HB** discussed a letter from Tom Halpin and Pete Braly, ChiliHeads of Arizona. They have asked that all cooks at the Terlingua International Chili Championship (TICC) cook in the Old 320 area. The Board agreed that the unused portion of the Old 320 spaces should be made available for use by non Old 320 members during the TICC and that the cooks should be encouraged to use the space. There is plenty of room. Cooking at the camp site is also an acceptable method to cook during this event. **HB** will respond to the letter.

**BA** discussed the need for a standardized CASI information packet. This packet will be used to respond to requests for information. **MS** and **HB** will put together a introductory letter to provide basic information concerning CASI and recommend enclosures. This will be available for review during the TICC.

**HB** discussed a proposal from Don Tipps of the Society for the Historical Interest of Terlingua to hand out T-shirts to the children of Terlingua. The Board agreed. **HB** will make the arrangements.

**BW** discussed the crisis concerning places to stay in the Terlingua area during the TICC. If this event is to grow and make room for more cooks, they must have a place to stay or have easy access to motor homes. Several ideas were discussed. It was agreed that the board should try to provide more information that will assist cooks in making arrangements to attend the TICC. The problem will be discussed further.

The Board discussed the agenda and final arrangements for the Great Peppers Meeting.

The meeting was adjourned.

  
Mike Strack  
Secretary
