GREAT PEPPERS' MEETING

Terlingua, Texas

November 4, 1988

President, A. Vann York, called the Special Called Meeting of the CASI Great Peppers to order on November 4, 1988. Vann declared a quorum with 40 voting members present. Vann announced that the purpose of the meeting was whether or not the winner of the California State Cookoff would be permitted to cook at the Terlingua International Chili Championship. Vann called on Carol Gibbs who was the referee at the cookoff.

Carol stated that there were 15 registered cooks--9 people cooked. She explained the difficulties of getting cooks because of extreme traffic congestion and distances involved to the Fairgrounds where the cookoff was held.

Carol Knight requested that the 25-cook limit be waived in order to promote chili. Numerous Great Peppers discussed the matter.

Vann stated that the Board of Directors did not have the authority to permit the California State Champion to cook. Vann suggested that the Board of Directors abstain.
