THE PRESIDENTS PRESS

Dear Chili Friends,

I gave everyone a break last month, I failed to send my letter to the Trails. I was on vacation. ' We were in Concan and I was so relaxed and having so much fun I missed the deadline for my letter. Anyway, you didn't miss out on anything as I haven't been anywhere or done anything since my letter in June. We really did have a good time in Concan even though the Frio River was the lowest I have ever seen it. The locals said it was the lowest it had been in the past 10 years. The family all went on the hayride one evening and we saw a lot of deer. We enjoyed getting to gaze at the stars every night, that is some thing we city folks don't get to do very often, in fact our 3 kids grew up with the belief that the only place that had stars that were visible was Concan and rice, Texas where their grandparents lived.

We had the Directors meetings the 13th of this month in Irving. Everything seems to be running on Schedule for Terlingua. All the committees have been working hard. Guy Smith inform us that everything is looking, super as far as Sponsorship with WOLF BRAND CHILI, HUNT WESSON, AND GEBHARDT'S CHILI POWDER. PENDERY'S has also committed to be back again this year. We Certainly appreciate these sponsors and all of you Chili Cooks need to show your appreciation by buying from these folks.

Each of you Great Peppers should have your packet from the Great Pepper's Meeting by this time, if by chance you haven't received your packet, you should contact CODY OLIVERIA at 901/360-1947. Cody has worked hard on this meeting and has some fun things lined up for everyone to do. However, in filling out your Registration Form, PLEASE NOTE THAT THE REGISTRATION FEE OF $25.00 FOR VOTING DELEGATES WAS AN OVERSIGHT, AND SHOULD NOT BE PAID.

Speaking of the Great Pepper's Meeting, it seems that some of you have forgotten or did not understand what the extra $1.00 fee per cook from the cookoffs in 1996 was to go for. It is to help support the Great Peppers Meeting. This fund would be dedicated to the Great Peppers Meeting only and any funds left over would only be released for any other needs by the vote of the Great Peppers. Funding would be determined by a budget submitted to the Board of Directors by the Host Pod or Pods. This was discussed, a motion was made on this and passed by the Great Peppers at last years meeting, It was decided by the Directors that CASI would pay up to 75% of the presented proposed budget by the Host Pod. The Host Pod would be responsible for the remaining cost.

See you on the Chili Trail,

'alph

E.D. NOTES

WOW! Did we ever have a good CASI Board of Directors meeting in Irving on July 13th. All Directors were present and loaded with questions and/or recommendations. We covered items dealing with CASI, Great Peppers meeting, TICC, Rancho CASI, etc., etc. More about this later.

Great Peppers will have received annual meeting packets from the host pod and from me in the ED packet I included the proposed rule book reorganization for GP's to take to their pod meetings if they desire. We have set up a meeting on Friday afternoon in Memphis to review this reorganization proposal, so that we will not have to spend so much time on it during the meeting on Saturday. If time permits on Friday we would also like to preview the proposed Rule Changes that will be brought up on Saturday, for the same reason. Great Peppers will receive proposed rule changes around August 1.

As of July we have had over 200 cooks qualified for Terlingua. With two and a half months left, I believe that we will have over 350 cooks qualified. Come on, GET THOSE POINTS!

E D PROPOSAL:

I hope that there is a CASI member or chilihead out there somewhere who owns a Bobcat tractor, or knows someone who does. I brought up our need for one at the recent Board meeting, and here is what I would like to propose. Someone tow a trailered Bobcat to Rancho CASI the first of the TICC week, so that we could move some dirt, rocks, gravel, etc., without having to hire someone out of Alpine. Several of the Board members are experienced in operating this type of small tractor, and if we had one at our disposal Monday through Friday, we could continue to improve out area. Did I mention that CASI is willing to pay for this. We are. If you know someone who has a Bobcat or has access to one, give them my number - (915)772-2379, and we'll try to work out a deal with them. H E L P !

CASI Doesn't Recognize Periods !

I'm not referring to the menses type - I mean the periods after our initials - CASI. THERE ARE NONE ! I get so many newsletters, cookoff flyers, etc., that display C. A. S. I.. I know this is a small thing, but folks, it is part or our copyright/registered trademark. We should use it correctly, or it might cause a problem later on down the line. Looking forward to seeing many of you on the chili trail. GP meeting, Terlingua, Lewisville, Chilympiad, wherever.

FRIENDS OF CASI

At the Directors Meeting in Irving on July 13, 1996. There was a new level of sponsorship added for the Terlingua Championship. This new level will be called "Friends of CASI." The levels are as follows.

GOLD PEPPERS
This is for Pods, companies, or other friends who have contributed $1000.00

SILVER PEPPERS
This for Pods, companies or other friends who have contributed $500.00

BRONZE PEPPERS
This is for Pods, companies, or other friends who have contributed $250.00

The friends of CASI will receive a certificate and their name will be added to our sponsor board at the Terlingua Cookoff

We will try to get information out on this new package to the Great Peppers before the Great Peppers Meeting. If you would like more information on being a friend of CASI, please contact one of the Sponsorship Directors.

Look how funny it is to be married 40 years! Don & Maxine Reed at their anniversary party at SOT Pod Cook-off in June. A great cook-off, great friends, and great fun was had by all! Now thy can't claim the Cindy was born one year after they were married because the truth is out!

To My Fellow Chiliheads:

Sometimes we tend to get into the habit of attending the same cookoff-s over and over again. Now, don't get me wrong, I support anyone's choice to attend any cook-off that they want to; I know that there are some that are so much fun, you have to keep going back, and there are some that we support because of our allegiance to someone, some organization, or some charity, but this year I decid to try some new ones in addition to a few that I don't like to miss. J to name a few, LA State Championship in Shreveport, a fun cook-off down at Market Square in conjunction with the Mudbug Festival consisting of food, zydeeco music, and lots of fun people, mixed in with a little gambling across the street from the site! What a fun filled weekend!

I have to mention SOT Pod in Cedar Park, TX because there was a special celebration for some June birthdays and a 40th wedding anniversary party for Don and Maxine Reed. It was the Cedar Chopper Festival (I thought that meant a biker festival, Ha-Ha.) The cook's party Friday night was wonderful as well as the Pot luck dinner on Saturday night. After the dinner, we had the party and Patsy Recline even showed up and performed for the celebration. Toasts were made, champagne was flowing among other things, and dancing until wee hours of the night! My thanks to everyone who helped me pull off the party and that's just one more reason I love being associated with fellow chili friends and family!

How about Wichita Falls and the Southwest Open! Whew, was it a scorcher; record temperatures of 109! Somehow, we all managed to have a good time anyway, We had a great cooks party with ribs and all the fixins', beer was plentiful, there were moons over Wichita Falls thanks to Darryl Baxter, and late night stage entertainment by a few, as well as Bullring Events on Saturday night. I got to spend time with some people that I don't see as regularly as I do in other areas. Isn't that why we go to new places to cook chili?

And this weekend, I was at the Colorado State Championship Grand Lake, CO. What a beautiful site for a cook-off! In the Rocky Mountains, on a lake with sandy beaches, for a boardwalk cook-off. The Coloradons welcomed us Texans to their cook-off and show us a wonderful time in a quaint town with lot of fun things to see do there. I could have spent weeks there ! (And that's exactly what my parents are doing.)

Those are just a few that I have traveled this year, I certainly don't mean to leave anyone out, I have a great time at all cook-offs, and enjoy getting together with my chili family wherever I go. It just makes you realize how luck we are to have such a camaraderie and great location wherever we go that brings us together for our common cause. Chili and Charity! Look forward to seeing more new places and familiar faces around the chili circuit! If you can get out there and go, hit the highway! See you at the Great Pepper's meeting in Memphis!

Love & Peppers,

Cindy Reed

Trail Droppings

Well the Trails is back in Arizona. Hopefully I didn't drop anything last month. If I did I apologize.

I just came back from the CASI Board of Directors meeting in Irving, and we got quite a bit accomplished. CASI will have a Web page on the World Wide Net. It will have some pictures, information about CASI and Terlingua as well as upcoming cookoffs for the next 30 days. We will have 30 year pins available at Terlingua for our 30th anniversary. Of course you have already received information about the knives in last months TT. Don't forget you can reach me on the net at myrll@aol.com

The 1997 Chili Year is only 2 months away. That means if you don't have your points, you better hurry. It is time for everyone to make sure that I have all the correct information on you or your show team for Terlingua Packages.

If you have qualified and have not received your card please drop me a note in the mail telling where you got all of your points. I need the name of the cookoff, the location (town), and the date of the cookoff your received points. Remember the Referee has 30 days to get the cookoff to me.

If you have moved since you qualified, I need your new address. Unless you have sent me a note since you moved, I won't have your new address. I don't update the address files unless you make a note on the entrants list. I do update the address when you qualify to the current address on the winners sheet. All cooks need to make sure the entrant sheet is filled out completely and that it is readable. I use this list quite often when I can't read the winners sheet.

The other thing I need to talk about is the quality of the paperwork that the referee's are sending in. Most cookoff's take me 20 minutes to input into the computer when I can read what is on the winners sheet. Most cookoff's send in great paper work. Some cookoff's take over an hour to figure out the names of the winners. I understand it is not the referee's job to take the winners names, but it is the referee's job to insure the results are correct and that the list is readable. Remember you were at the cookoff and know what happened. I have to depend on the paper work sent in by the referee.

Please Help

This year at CASI Terlingua International Cookoff, there will be 3 to 4 items of construction in process the week before our cookoff. I will need a welder with welding machine to help with the erection of the display fence on the Presentation Stage.

I will also need several people to help construct 2 fences and install 2 gates. If you can help with this please bring your post driver and/or hand post hole digger to Terlingua.

Thanks

To all CASI Members:

Two years ago I ran for and was elected to the CASI Board of Directors. During my campaign I told you that I had already written the computer program used by the CASI Tally-Master and the computer program used to tally at chili cookoffs, and that as a director I would like to computerize our accounting system and establish some sort of an 800 telephone number system fro processing and sanctioning chili cookoffs. A year ago I was elected Treasured of CASI, and in the last year I have completed the task of computerizing our accounting system. My idea of an 800 telephone has been replaced by a plan to put CASI onto the Internet. This is a project that Mike Strack and I hope to have completed in the very near future.

Being a member of the CASI Board of Directors for the last two years has caused me to understand and appreciate our organization a little better and has certainly taught me that being CASI Treasurer is a lot more work than I ever thought it would be. I have made a few mistakes during my two years as a director, but for the most part I feel that I have done the organization a lot of good. For this reason, I have decided that I will run for re-election to the CASI Board of Directors in September. With the completion of the computerization of our accounting system, I feel that I am well prepared to continue as the Treasurer of CASI.

I would now like to take this opportunity to thank each and everyone of you for the support that you have given me over the last two years, and I would like to ask for your support in by bid for re-election.

From Your Alcaldesa

In the last few months, I have sold six more "Old 329" shares. Let's all welcome Pam Parker, Fred Thomas, Darrell Tubb, Renee' Ray, Charlie Walstrom (2nd share,) and the Chili Appreciation Society of Arizona.

There are now only 81 Shares left. An "Old 320" Share is $200.00. You may chose to pay this in 4 monthly installments of $50.00. I have included a membership application in the Trails this month alone with a plot of the cooking spots. (pages 12 & 13)

An "Old 320" member is entitled to camp free in Nov in the cooks area. They also select a cooking spot in the Arena Area in which they may choose to cook. An "Old 320" member may use the Rancho CASI de los Chisos facilities year around for your camping. By purchasing a share you are helping CASI pay for the Rancho and maintain and improve the property.

If anyone is interested in buying a share, just drop your application and check in the mail, or I'll see you at the Great Peppers Meeting

Shirley Stateczyn.

Wedding Bells for John & Sue

John Caffey and Sue Doss were officially married in Las Vegas Friday evening, June 26, 1996, at the Victoria Wedding Chapel. It wasn't just a wedding it was a happening. Las Vegas will never be the same. They were accompanied by Barbara and Jimmy Taylor and Barbara and Frank Fox.

John and Sue had plans to sneak away to Las Vegas to be quietly married, but chiliheads can't keep good secrets. Sue's daughter, Labet, gave away the secret and the wedding date at the SOT Pod cookoff. As the evening went on, Jimmy and Barbara volunteered to stand up with them and Frank and Barbara volunteered as photographer.

All Three couples had different flight schedules, so John took care of transportation. Unbeknownst to Sue, he had rented a white stretch Cadillac Limousine to get the party on the road. When John and Sue arrived at LV airport they were swept into the limo with cold Lone Star and Champagne awaiting them. This started the singing "Going to the Chapel" and it never stopped. Everyone should get married in Vegas. Getting John and Sue's, marriage license was a show all by itself.

The wedding was beautiful.. Ask Sue to see the Video so that you can hear Barbara Taylor singing "When a Man Loves a Woman." A Vegas wedding chapel sure ain't no Baptist Church. They don't let you get thirsty and the champagne never ends

The next step was to have a toast in the Foxes room to celebrate the wedding and the Foxes 30th wedding anniversary. The toast was made with a fine bottle of champagne personalized with "To Frank and Barbara, Happy 30th wedding Anniversary 1996 from Jo and Wendell." The champagne was a love gift from Jo and Wendell Rankin This man can paint On anything.

After the toasting it was dinner at the Seasons Gourmet Restaurant and gambling, gambling, gambling. All were winners in Vegas. John won about $10,000 on the craps table, Jimmy left with a little over $5,000, and F came home with a $1 coin.

High Desert Pod Invades Texas

by Jim Tomlin

High Desert Pod's terrible threesome, Chuck Dugan, Bill Garbutt and Jim Tomlin traveled from Sierra Vista, Arizona to Odessa, Texas for back-to-back chili cookoffs on June 15th and 16th. Bill also competed in the barbecue competition on Father's Day. Chuck Dugan dazzled everyone at the Saturday cookoff with his third place chili and first place trophy in showmanship for "Sarge's Mess Hall Chili" show. His "Armydillo" and dancing, singing frogs really attracted a lot of attention. Sarge also took first place in showmanship on the 16th. Bill made final table on the 15th and won third place money for his barbecue chicken on the 16th. Jim made final table on both the 15th and 16th but couldn't break into the winner's circle. The beautiful trophy for farthest traveled was a class act. Bill brought it to the High Desert Pod's June meeting and presented it to Great Pepper, Ron Philips, to put with other pod trophies.

Black Gold Pod's hospitality to the High Desert Pod's wandering cooks exemplified the spirit of CASI. W.C. and Becky Sam Dixon ran two great chili cookoffs. Richard Scott, honchoed the barbecue with aplomb. The electrical hook up made the Sierra Vistans' stay in Odessa very comfortable. Jim and Bill really owe a lot to Richard Scott for rescuing them from the cemetery on Electric Street in South Odessa after they got temporarily lost in Bill's Land Yacht.

Chuck's third place finish was the high point for the terrible threesome from the Grand Canyon state. High point for Black Gold Pod was Ken Large's first place finish and beer bath for qualifying for Terlingua on the 15th. Deb Hinckle of Terlingua had two good days with an eighth place finish on the 15th and a first place victory on Father's Day which earned her a qualifying bath. We were especially pleased to see our great host, Richard Scott, also get qualified. Jerry King was barbecue grand champion with two first place finishes and one second. The championship earned him the $100 dollar top prize. Both cookoffs supported the Muscular Dystrophy Association.

All three Arizonans appreciate the warm welcome from all the Texans. It was really great to meet new chili friends and renew acquaintances with the likes of Boomer Kingston, the great M.C., and his lovely mate, Mary. Jim especially wants to thank Barbara and Ken Large and Vann York for listening to his proposed CASI rule change for breaking ties. He and Sat, his beloved Turquoise Filly, would also like to find the owner of the lady's small Nike tank top she found in his laundry bag after he got back to Sierra Vista. Jim hopes someone 'fesses up soon so he won't have to wear it to Terlingua.

Just prior to departure from the cookoff site, Black Gold Pod's Richard Scott threw out the gauntlet challenging the High Desert Pod to by some chili cooking competition on the way to Terlingua this fall. Bill and Richard are working on details. Don't know how many cooks or cookoffs will be involved. Don't know whether it will be AZTX or TXAZ trophy. It will probably be a traveling trophy since this should be an annual event. This could become the Stanley Cup of chili. Stay tuned for more info on this challenge.

Thanks again Black Gold Pod You were great Visit us soon.

Gardener's lament: "No garden for me. Last year all I grew was tired."

"Where is the Arizona State Open Men & Women's Championship being held this year?" "Nowhere!" "You mean the cookoff has been canceled?" "No it is being held in Nowhere Arizona!" "How do you get to Nowhere?" "I don't know where Nowhere is, but Mad Jack has made several trips to Nowhere and says he knows exactly where it is!" "Well I guess if Mad Jack knows where Nowhere is, all we have to do is follow him and hope he knows where he's going!" (I need another drink.) Myrl

TURBO BEEPBEEP

A man goes out an buys the best car available in the US or Europe, a 1996 Turbo BeepBeep. It is the best and most expensive car in the world, and it runs him $500,000. He takes it out for a spin and, while doing so, stops for a red light. An old man on a moped, both looking about 90 years old, pulls up next to him. The old man looks over the sleek, shiny surface of the car and asks "What kind of car ya got there, sonny?" The dude replies "A 1996 Turbo BeepBeep. They cost $500,000.

"Thats a lotta money!" says the old man, shocked. "Why does it cost so much?" "Cause this car can do up to 320 miles an hour!" states the cool dude proudly. The old man asks "can I take a look inside?" "Sure," replies the owner. So the old man pokes his head in the window and looks around. Leaning back on his moped, the old man say "Thats a pretty nice car alright!"

Just then the light changes, so the guy decides to show the old man what his car can do. He floors it, and within 30 seconds the speedometer reads 320. Suddenly the guy notices a dot in his rear view mirror. It seems to be getting closer! Whhhoooooooooooossssshhhhh! Something passes him! Going 2 or maybe 3 times as fast. The guy wonders "what on earth could be going faster than my Turbo Beep Beep?" Then, ahead of him, he sees a dot coming toward him. Whooooooooooooosh! Goes by and, it almost looked like the old man on the moped! Couldn't be thinks the guy. How could a moped outrun a Turbo BeepBeep? Again, he sees a dot in his rearview mirror!. WhooooooooshhhhhhhhhKa-BbbbblaMMMMM! It plows into the back of his car, demolishing the rear end. The guy jumps out and Jeezus to betsy, it's the old man! Of course, the moped and the old man are hurting for certain. The guy runs up to the dying old man and says "You're hurt bad! is there anything I can do for you?" The old man replies "Yeah. Unhook my suspenders from the side-view mirror on your car!"

Membership Contest for 1996 - 1197

This year we will hold two membership contest.

We will continue to hold the POD Membership Challenge. As last year we will offer the Pod within the State of Texas and the non-Texas Pods who sign-up the greatest number of annual members a prize. The prize will be announced at the Great Peppers meeting. This contest begins now and will end at noon on 2 Nov. 1996. You may provide the final submissions to me at Rancho CASI de los Chisos. This year each new or renewed membership will count as one point

This year we will add an Individual Membership contest. For those CASI Members who are really good at getting dues from your friends, this is one f you. If you chose to participate, just place your na and CASI Membership number in the Home Pod block of the membership application of each chili cook you sigh up. **PLEASE PRINT CLEARLY - IF I CAN'T READ IT - YOU DON'T GET THE POINTS.** In this contest all participants are in a position to receive recognition. Those who sign up 10 members will be placed on the CASI Directors Membership Honor Roll, 20 members will be placed on the CASI Directors Membership Honor Roll - Silver level, and 50 Members will be placed on the Gold Level. Each level will receive a Certificate suitable for framing. The winner (signs up the most members - all Annual or Live Members count one point) in addition to a Certificate will receive a CASI Jacket noting their excellence during this contest. This contest will run from now until 31 Dec. 96. All submissions must be post marked by that date. Winner will be announced in the February Terlingua Trails

Now I'm really excited!

MEMBERSHIP CHANGES - Road to a stable future

Over the past few years we have had to deal with inflation without passing the increased cost to the membership. Inflation coupled with a significant reduction in external support (our sponsors) has been a little more than CASI could handle with making changes.

To that end the CASI Board evaluated several alternatives which could alter our financial status. These included: Reducing membership costs by recommending that we no longer provide a copy of the rule book to each CASI member or family; increasing our membership fee structure to align the costs with actual expenses

Our conclusion was that we can no longer sustain our current membership support level or make any improvements without increasing our revenue. We do not want to reduce our support to the membership. In fact we believe that we should expand our support to you and our events. The key is that we can no longer run the Society as financial risk.

Effective 1 Oct. 96 - Annual Membership dues will be $15.00 a year and Life Membership will be raised on a sliding scale based upon age as follows:

Age-dues/20-24 - $535/25-29 -$510/30-34 - $485/35-39 -$455/40 -44 - $425/45-49 -$385/50-54 - $345/55-59 - $305/60-64 -$255/65-69 -$205/70+ - $150

Note: The increase in Life Membership is less money than Annual Membership dues for the same period.

These price changes do not take effect until 1 Oct. You can get one more year at the $10.00 rate. If you have been contemplating Life Membership you may do at the current rate of $125. All payments must postmarked by 30 September 1996.
