It's a Girl.

Elton and Norma Homesley proudly wish to announce the birth of a Granddaughter...

Raven Nicole Homesley was born on March 29, 1998 at San Marcos, Texas and weighed 7 lbs. 12 oz..

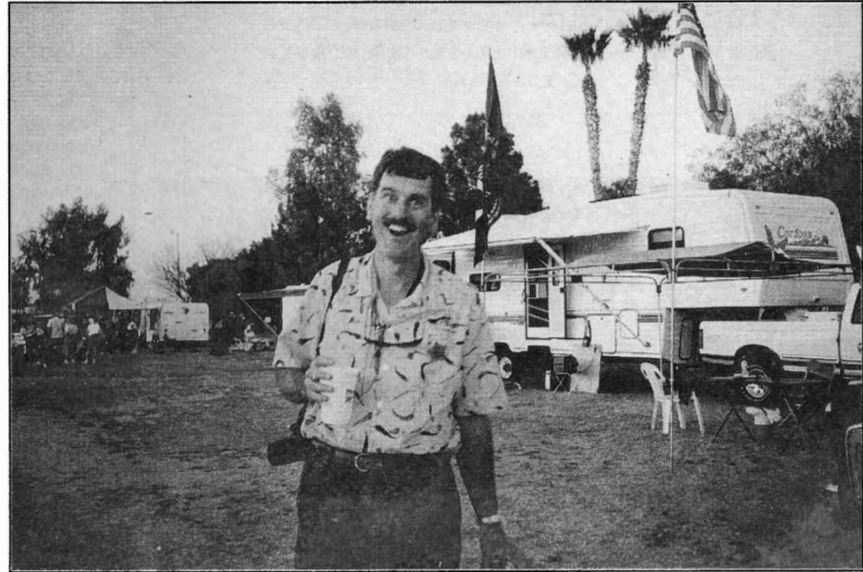

She was greeted by her proud Grandparents and her big brother, Talon Kyle Homesley and by her very proud father, Zane Nathan Homesley. Mother, Jessica Louise Homesley is doing fine and both expect to be at home by tomorrow

ED Notes

We just returned from Terlingua and Rancho CASI how beautiful the Ocotillo & Blue Bonnets were in full bloom. However, they need rain down there. Very dry. About 20 people from various parts of Texas and even Arkansas and Oklahoma were down for the Easter weekend and to help clean up our two miles of highway. We circled the motor homes plus our trailer Thursday & had a great visit plus pooling our food for communal meals. Good eating. Some left on Sunday to get back to work on Monday, and others were leaving for home on Monday. School was out for the Easter Break, and everyone had left to visit relatives for Easter, but we had nice visits with Tom and Dorothy Williams.

Several directors walked the Rancho site, discussing improvements to the site before TICC in November. There will probably be more on this subject in other columns. I have mailed to all GP's the form for submitting proposed rule changes for the GP meeting in September. These are due back to me on or before July 1, which will allow me to send copies of the proposed changes to all pods, to be discussed at their July and August pod meetings. There will be no late proposed changes sprung on GPs at the annual meeting. So everyone will be familiar with proposed changes when they get to the meeting. Remember the deadline to me is July 1, and it must be on the official form for clarity, etc. There are (5) Directors terms that expire this year. Now is the time for any aspiring CASI member to crank up their efforts, and decide to run for a spot on the CASI board. The Directors whose terms expire in 1998 are as follows:

Mel FitzHenry
Preston Shaw
Myrl Coultas
Guy Smith
and
Hut Brown, Executive Director

Look Whos Hit the Big 50

I've announced earlier that I wont be a candidate for re-election. Time for a sabbatical leave. So if you are interested in being a candidate, please let me know ASAP and I will send you a nomination form for you to fill out and return to me in order to get you on the ballot, and to give you ample time to begin your campaign. It's a great non paying job, but you get the satisfaction of working hard to promote CASI and Chili. Think about it.

Your CASI board had agreed to donate 6 sets of new golf clubs and bags for the Big Bend High School Golf Team. I conned to El Paso Golf Store Owners into donating 2 more sets of clubs and bags, so the golf team now has new equipment.

The outdoor basketball court that CASI donated the funds for last November has had construction delayed for a short while. It will probably be poured (the concrete) about the time school is out in May, and will be dedicated in August when school opens for the 1998-99 year.

Till Then keep the pots hot, the lids on, blend those spices with TLC, cube that meat meticulously, and GET THOSE POINTS.

See you on the Chili Trail.

Hut Brown, Executive Director CASI.

Thank you Hut and Jackie

I am certain not to be the only one, and I probably won't even be the first one, but I do want to be one of the persons who thanks Hut Brown for his many years of dedicated service to CASI and to Chili. I was in the very fortunate position of learning about chili thru affiliation with the Pod of the Pass. That Pod was always blessed with terrific guidance and understanding of the chili world given to it by Hut. (this is starting to sound like I'm eulogizing Hut, isn't it?). Hut could always be counted on to listen to problems and render his best judgement; That trait has continued throughout his eight years of service as Executive Director, I learned a lot from Hut; I continue to lean from him every time we speak. Over and above the working relationship Hut has been a friend.

And I want to sincerely thank Jackie Brown. Anyone who knows Hut knows Jackie; Anyone who knows Jackie knows how considerably she supports Hut and CASI. Jackie is a truly unique (and I mean that only in the best terms) individual who I love like a sister. Jackie's finely honed sense of humor is one of life's true pleasures. Hut and Jackie, thank you. We are all better for knowing you. CASI is better for your dedication and sincere efforts. I am better for having you as a friend

Pun of the Month

In the Great Desert lived a band of nomads. Their leader Benny, had risen to his rank due to his magnificent beard. His people believed a man's strength and courage came from his beard, and thus the man with the biggest beard was their chief. After leading the band for many years, Benny began to feel uncomfortable wearing a beard, in this hot dusty land. He wanted to shave. The councilmen were shocked. one said "Do you not remember the ancient legend, sire?" "The leader who removes his beard is cursed and made into a piece of earthenware."

Benny had heard the legend, but being a modern man, he scoffed at the tale & being head strong he went ahead and removed his beard. As the final whiskers were falling a huge dust storm came up. It lasted only a few seconds, but when it cleared, there was a man sized clay vessel where only moments before Benny had stood.

MORAL: "A Benny Shaved is a Benny urned."

**March 1, 1998
To the CASI Great Peppers,**

I would like to announce that the Chillini Pod will make a presentation to the Great Peppers at the meeting in Del Rio to let us be your host for the 1999 Great Peppers Meeting.

Why Chicago?

Since being seeded as a pod in Tucson, we have attended Great Pepper Meetings in Lubbock, Dallas, Memphis, and Ashville. Each site had its own unique attractions. Chicago also has much to offer which I think the Great Peppers will find interesting. Attractions abound and are too numerous to list. About the only thing you won't be able to do is climb a mountain. The weather in early September in this part of the world is gorgeous.

It is easy to get to. O'Hare Int'l Airport is home to most of the world's major airlines, and Midway Airport has the rest.

Why St. Charles?

If the Chillini Pod is awarded the 1999 Great Peppers Meeting, it would be held locally in St. Charles, IL. St. Charles is home to the Chillini Pod and to a first class resort and convention center. This resort is experienced in the convention business and can accommodate groups of 10 to 4000. They have a theater and in-house entertainment. The St. Charles Visitors and Convention Bureau is also assisting us in this effort.

The resort is located about 45 minutes from O'Hare Airport and about an hour from Midway. Shuttles are available.

Why the Chillini Pod?

Being a CASI Pod for the past five years has been a rewarding experience. With the privileges we have enjoyed comes responsibility. We feel it is time to give something back I understand it take a lot of time and money to host a Great Peppers Meeting and our pod is prepared to undertake the responsibility.

Furthermore, I hope the publicity generated (y'és, people will know you're coming) by having the CASI organization here will help us promote interest in competition style chili in the Chicago area.

We have enjoyed the locations of the Great Peppers Meetings we have attended, and look forward to our visit to Del Rio, Texas this September. I think the CASI Great Peppers and Directors would truly enjoy a visit to Chicagoland.

**Sincerely, Cheryl Pierson,
Great Pepper

CASI Friends

Thanks so much for all the cards and prayers sent during my surgery and recovery from prostate cancer. My doctors are pleased with my recovery and say my demise will probably not involve cancer. I guess you folks will have to put up with "Old Grumpy" a while longer. I am undergoing 6 weeks of radiation as a backup to a very successful surgery. Again thanks for the prayers keep them coming.

**Sincerely
Jim Tomlin**

**CASI Contributes \$250,000.00
To Various Charities**

Isn't this a wonderful headline and a headline that we would all be very proud of? For the last few months you have heard the discussions of national charities, corporate partnerships, and taking our beloved society to the next level. In the next month your pod will be asked to respond to questions concerning the future direction that you would like CASI to pursue. I think that we would all like to see the day when we once again could buy an ambulance for the EMS, contribute to a national charity, have money available for various local charities, and expand our student scholarship program. We should also realize that the name recognition that goes with these types of contributions will result in membership growth, annual cookoffs held growth, and an increase in sponsor participation in our local fund raising events (chili cookoffs). I would strongly suggest to all of you that you vote for your pod to support this movement and enable the growth of our society and the fulfillment of our charter: "Raising Money for Charity through the Promotion of Chili". I believe that we must contribute to a national charity and that we must also pursue corporate sponsorships if we truly want to achieve these objectives. I am very proud of CASI and I believe that you are too. I also believe that we all dream of the day when CASI could give away \$250,000.00, or more, on the stage at Terlingua!

DELINQUENT COOKOFFS - These
are Cookoffs held before 03/01/98 that
results have not been received for!

Feb 28, 1998-006 - El Reno OK
3rd Annual Perservation El Reno,

Dear Fellow CASI Chili Cooks

I would like to try one more time to get
CASI Great Peppers to approve a rule
addition that would give equal points for
Terlingua to those cooks who tie for the
top 3 positions and 10th place at any CASI
cookoff. My attempt 2 years was to long
(3 pages). This proposal is 6 lines and
says essentially the same thing as the 3
pages. This addition in no way changes the
current tie breaking system for positions
and trophies.

I apologize for ever calling my proposal a
tie breaking rule change. My deepest
thanks goes to the individual who developed
the tie breaker rule. The following
addendum will be submitted by the High
Desert Pod for consideration at the Del Rio
Great Peppers Meeting.

PROPOSED RULE CHANGE:
ADD paragraph 3 to chili cooking rule F

TABULATING RESULTS:

PROPOSED

3. AWARDING EQUAL POINTS FOR
TERLINGUA.

When 2 or more chilis are judged numerically
equal the tied cooks receive equal
points for Terlingua. For example if the
first and second place chilis have tie scores
both cooks receive 4 points. Cooks who's
chili's tie for 10th place will be awarded 1
point toward Terlingua. The CASI official
of the cookoff must indicate on the tally
sheet those cooks who earn points for tying
higher positions.

RATIONAL:

CASI on occasion qualify cooks for
Terlingua when they place 30th or lower
in a State Open Cookoff. In 1997 3 cooks
from one State Open qualified for Terlingua
in 98 and none of them were in the top
10. Therefore CASI should also award
points to those cooks whose chili earned
them a tie. This proposal has no impact
on sponsors, position/placement, trophies
awarded or cooks not involved in the tie
process. In the spirit of fairness lets award
those cooks who tie the points their chili
earned.

Thanks in advance for your thoughtful
consideration of this proposal

Sincerely
Jim Tomlin
