Odessa, TX Cookoff Raises \$103,000

Black Gold Pod members rallied citizens in the Midland/Odessa area for a benefit chili and barbecue cookoff to raise funds for injured Odessa Permian High School football player Joe Beene. Starting with a lofty goal of \$50,000., organizers Al and B J McDonald drew more than 5,000 people out in weather that got down to 11 degrees on Feb 10. With support from the media, and hundreds of citizens and businesses, the event came together as an overwhelming success. Everything needed was donated and 100% of the proceeds went to help expenses for Joe Beene, who was paralyzed from the neck down in a freak football accident. When the dust settled, Barbara Large reports that over

\$103,000 was raised and the CASI sanctioned event will be held on an annual basis to benefit other similarly injured kids. Thanks go out to all the Black Gold Pod folks that made this cookoff a tremendous example of what CASI is all about.

Tall in Texas Pod Contributes to CASI Scholarship Fund

Last month I received an envelope from Garnier

Albus and the Tall in Texas Pod of Amarillo. In this envelope I found checks totaling \$350.00 and a note informing me that this money was raised at a chili cookoff held on April 1st, and that this money was for the CASI Scholarship Fund. My sincere thanks go out to the Tall in Texas Pod and all of those who helped raise this money for this most important project.

If you have a cook-off coming up in the month of **August**, it must be received by the **15th of June** to meet the 30 day advertising requirement

Forty-nine students from six states applied for CASI scholarships this spring. The CASI Board had approved three (3) four-thousand-dollar (\$4,000.00) scholarships for the school year 2001-2002. These scholarships are for one thousand dollars (\$1,000.00) per year for four years. Because of the outstanding achievements of each of the applicants, the scholarship committee had a difficult time selecting the three top applicants.

The final decision of the committee was as follows:
Alexis Alexander - Texas, Shem Peachy - New Mexico, and Ben Kinnison - Texas.

I want to personally thank all the applicants for their outstanding accomplishments in high school, and to wish them success in their future endeavors. I especially want to honor the scholarship committee for an extremely difficult assignment in reviewing forty-nine applications. Committee members are: Trudy Berry - Arizona, Bobby Elliott - West Texas, Garnier Albus - Northwest Texas, Harvey West - North Texas, Pat Irvine King - Central Texas, Pat Krenek - South Texas, Preston Nickle - Southeast, Dan Bauer - Northeast, Fred Roycroft - Northwest. This procedure took a lot of time and I appreciate their dedication to the task. I believe that we had a very successful first year of the CASI scholarship program.

HUT BROWN - CASI Scholarship Chairman

CORRECTION ! CORRECTION ! CORRECTION ! An event occurred in the CASI Scholarship program that we had earlier made provision for. The # 1 designee had to refuse the CASI scholarship due to acceptance of several other scholarships. Hence the scholarship chairman had to go to the 1st alternate choice in order to come up with the third scholarship recipient. The young man's name is Matthew Jones of Shawnee, Oklahoma. I have contacted his mother and explained the whole procedure. Matthew was not at home at the time but his mother was happy to hear the news. I am sure the HOOCH Pod will be happy to hear of this change. Alexis Alexander of Comfort, TX high school will allow Matthew Jones to move up on the list of the three CASI scholarship recipients. I think that this is commendable to Alexis. Congratulations.

HUT BROWN.

Where is the year going? In the last few weeks, we've cooked from Pasadena to El Paso. It's been a whirlwind time, and it has been fun. Now it's time for me to get down to the points hunt - so little time left in the chili year!

Plans are firming up for the Great Peppers' Meeting in Houston. I know the host Pods are working toward a terrific meeting with their customary Houston area hospitality. Watch the mail and the Terlingua Trails for information concerning hotel and meeting details. Be working on your Great Pepper of the Year submission (you may recommend your Great Pepper or your Great Pepper may make the submission on his/her own behalf).

A very important part of the functioning of CASI is the Board of Directors. There are four positions up for election/re-election this year, and you may want to consider running for the national Board. I truly believe that each of us owes it to himself/herself to seek a national office at some point - what better way to learn the functioning of this organization?

Last month, the Director's Qualification form was printed in the Terlingua Trails. Donn Shands has placed the Director's Qualification form on his website. (http://members.tripod.com/Tejas_Medicineman/). Donn advises

the link for the page is right above the bronze pepper.) If you wish, you may contact a Nominating Committee member (David Richardson, Anne Roberts or Kat Tomlin) or me for a hard copy of the form, or I can email one to you. You have no excuse not to get the form to a Nominating Committee member or me by the August 10, 2001 deadline.

The Board will meet on July 28; if there is an issue you would like brought before the Board, please let a member know by at least July 10.

I love this stuff. CASI is such a dynamic force - and we just keep getting better!

Happy Father's Day to those among us who have that wonderful privilege.

Johnye

TallyMaster Position Available

After Elton Homesley announced in the March issue of the Terlingua Trails that he was retiring at the end of this chili year, I expected an onslaught of mail and phone calls from people wanting this position! The hours are long, the work is tedious, and the pay is nonexistent - who wouldn't want this job?

Just in case you wanted to throw your hat into the ring, please contact me as soon as possible. I would request that you prepare and send to me a letter of intent for this position so that I may present all candidates at the summer Board of Directors' meeting. The Board will appoint a Tallymaster to follow in Elton's footsteps at that meeting. Just in case you don't know where to send your letter: J Harriman, 75 Golden Poppy Loop, Belton, Texas 76513 or rjhshow@aol.com.

Thanks, Johnye

Easter in Terlingua was, as always a wonderful experience. Some of the regulars (Westermans, Rogers, Hejtmancik, Wtz Kid and Hutsons, Larges and Elliotts) were absent and missed. As for the ones there, we had a great time. We got a bunch done for the ranch with able help from such as Dusty DeBeer, the Caffeys, and our most beloved Alcalde Hizzoner Bucky Seelig. We installed foundations for the very beautiful bronze, bearing the names of all the 320 members. The other is a new granite mounting for all our passed friends. I am proud of all we got done and the fellowship we had doing it. In forgot to mention that Jim Stateczny did hold a shovel for a photo op. Must be election time! And on that subject, I am due for re-up this year, and I would sure like to be a part of the action again. We have a very balanced board of people who work well together and I would like to continue to be a part of making the scene at Terlingua a good one for everyone. Thank you for your past support.

Sincerely, Jimmy Taylor

ALABAMA STATE CHILI COOKOFF

Blue skies and sunshine blessed the 28 cooks participating in the 10th Annual Alabama State Chili Cookoff at the Alabama Gulf Coast Zoo in Gulf Shores, Alabama, on April 7. Ten states were represented including Alabama, Arkansas, California, Florida, Minnesota, Mississippi, Missouri, North Carolina, Tennessee and Texas.

The cookoff is unique in that it occurs inside the Zoo with the majority of cooks overlooking the bear compound, lemur island, giraffe pen, and petting zoo. Amidst the various noises emanating from the animals and peacocks strutting their stuff, showmanship was conducted. Texas Madman Earl Who? Gorhum led his "cat pack" to 1st place, followed in 2nd place by Roger Holley of Florida with his Blue Light Chili. Roger is a Florida State Trooper and really takes his show to heart, complete with tickets & handcuffs! Darrell Tubb of Texas and her "hot cows" captured 3rd place in show.

The top 10 cooks truly gave the cookoff a "national" flair: 1st place, Carolyn Oliver, Florida; 2nd place, Ava Horan, Texas (and her first points ever); 3rd place, Linda Chandler, Arkansas (last year's winner); 4th place, chili child Melanie Sutton, Alabama (virgin Terlingua qualifier); 5th place, Roy Ployhar, Minnesota; 6th place, Sherrie Davis, Texas; 7th place, Dixie Johnson, Missouri (Ms. TICC 2000); 8th place, Bill Lundy, North Carolina; 9th place, Kevin Frazier, Alabama; and 10th place, Clifton (Papa) Nickle, Mississippi. Renee Moore was 11th and the 3rd qualifier from Alabama.

Congratulations to all the winners and a big 'THANK YOU' for participating in this cookoff to raise funds for the Zoo! Put the Alabama State Chili Cookoff on your calendar for next year - April 6, 2002!

On Easter weekend 21 dedicated CASI souls converged on Rancho CASI to perform the Keep Texas Beautiful spring highway cleanup. Pod of the Pass volunteered many years ago to be responsible for this task. CASI folks from North Texas, Central Texas, and West Texas arrived at the Rancho during the week for the Saturday chore. We had 19 trashy people lining the highway, competing for beer cans, plastic containers, pieces of tires, you name it. We collected a full pickup (mine) load of filled trash bags, and made the area in front of Rancho CASI pristine again. We didn't get one of the several photos taken, but I would like to thank all of those super people who participated. It only takes about two hours, then we adjourn to a fabulous pot-luck brunch which would make Food and Wine editors jealous! HUT

To All Old 320 Members

I am announcing that I will seek a nomination to be considered for the office of Alcalde of the Old 320. My goals are to preserve the privileges of the membership and to promote the Old 320-cooking arena as the best place to prepare award-winning chili at the annual Terlingua International Chili Championship. The Old 320 organization has supported CASI in hosting the Terlingua International Chili Championship with financial donations and by providing help with the location of all cooking sites within the cooking arena. As the "Mayor", I would work hard to uphold the role of our great organization. I would appreciate your support and look forward to your attendance at the Old 320 meeting held Friday November the 2nd, 2001. I can be reached by telephone at (830) 899-3353 or by e-mail at clplbg@gvtc.com should anyone have a question or comment.

Sincerely,
Bruce Jones

Steve Grant of Statesville North Carolina, passed away suddenly on March 30, 2001. Steve was currently the Great Pepper of the Piedmont Pepper Pot of North Carolina. Steve was a serious chili cook having qualified several times to cook in Terlingua. He was a great promoter of chili and CASI. Steve will be greatly missed by his family, community and fellow Chili Cooks. In lieu of flowers, the family has requested memorials to e made to the CASI National Scholarship Fund.

THE QUEST FOR CHILI ARTICLES

Have you recently seen an article in a magazine or newspaper relative to CASI or chili cookoffs in general? Are you aware of a website that contains a calendar of events on which TICC, National Scholarship Day, or other cookoffs could be highlighted? If the answer to any of these questions is YES, please contact Renee-Moore, CASI Director of Chilikity.

Renee is compiling a scrapbook of various articles she has gathered or had forwarded to her by vigilant chili cooks. While most of the articles deal with TICC, Renee wants to expand the scope of the scrapbook to include cookoffs across the country.

Several websites have been contacted and agreed to publish information relative to TICC and the National Scholarship Day.

Don't forget that the Terlingua Trails also welcomes articles! Everyone enjoys reading about the recent escapades of chili cooks.

If you have any questions in this regard or wish to send information to Renee, you may do so at rmoores@ci.gulf-shores.al.us or by postal service to Box 5834, Gulf Shores, AL 36547-5834.

NEW REQUIREMENT CONCERNING YOUR PROPANE BOTTLES

A new federal requirement is coming into EFFECT APRIL 1, 2002 requiring your PROPANE BOTTLES to be equipped with an OPD VALVE (Over fill protection device) in order for it to be refilled. Most propane bottles manufactured since January 1998 are equipped with this device. This does not effect Motor Homes or 100 pound bottles. The standard propane bottle used with BBQ grills is a 20 pound bottle. To check your propane bottle to see if it will meet the new federal requirement you can:

1. On the collar of the bottle, look for the date it was manufactured. It will be stamped by month/year such as 9 98. If the year is 98, 99, 00, 01 it will be equipped with the new OPD Valve. Also it should have a label on the bottle indicating the bottle has the new valve. Most bottles equipped with the new valve, the knob to open and close the valve will be in a triangle type shape. A few of the bottles

manufactured in 1998 with the new valve might have the older round type knob.

2. The next time you have your bottle filled – the person filling your bottle should be able to tell you if your bottle will comply with the new requirement (the person might not know this if the state you having your bottled filled in does not require them to be licensed to fill bottles – Texas requires all persons filling bottles to be licensed.)

If your bottle does not comply with the upcoming requirement you have two choices come April 1, 2002.

1. Have your bottle refitted with a new valve at a certified propane dealer. However, ask what the price is before doing this because a 20 pound bottle costs more to do this than a buying a brand new bottle right now. However, I can only think the price of the 20 pound bottle is going to cost MORE when people all over the US start buying them to replace the ones they have when they can't get their current ones filled (Law of supply and demand). The price of a new valve for a 30 or 40 pound bottle (most travel trailers and fifth wheels) costs a more than a 20 pound bottle. I would also recommend you have your receipt for this each time you refill your bottle or have the dealer put a label on the bottle showing it has the new valve.
2. Buy a new bottle. Check the date of manufacture on the bottle collar to insure you are not getting on that has set in some warehouse of a couple of years. Right now in most cases, you can buy a new 20 pound bottle cheaper than having your current one fitted with the new valve. However I think this might change when the law comes into effect.

All propane bottles must be RECERTIFIED 12 years after date of manufacture at any rate – so take this into consideration when you decide to have the bottle refitted or to buy a new bottle. A bottle has to be recertified every 5 years after the bottle is 12 years old. This is 12 years from the date stamped on the bottle, not 12 years after you bought it!!!!. I have filled new bottles people have bought that were 3 years old when they bought them.

I hope this information will help you avoid a major headache come April 1st if you go to have your bottle filled and you find out it can't be refilled until you refit your bottle with the valve (and most places that fill bottles are not licensed to change the valves). If you have any questions concerning this feel free to contact me at : 210-887-8827 or email at sgmken@aol.com -

Watch Your Step CCO

For Cinco de Mayo, cooks gathered at the Hard Bargain Farm Environmental Center in Accocek, Maryland. What a great location for a cookoff! We were on top of a hill overlooking the beautiful countryside and up the Potomac toward the Capitol. Amid cries of 'watch your step' 'watch your step' cooks scouted out the best spots in the pasture to set up their canopies. With Steve Corley shouting, "Watch your step!", Charlie Walstrom almost fell trying to avoid a cowpie while stirring his pot.

A fiddler and a banjo playing entertained throughout the day and an appreciative crowd ate and offered generous donations for their chili samples. It was such a lovely day that the 30% chance of a shower that landed on us, did not dampen the spirits of the cooks. Chip Welsh, from Lancaster, Pennsylvania, cooking for only the second time was the winner.

Results: 1. Chip Welsh, 2. Dan Bauer-Q, 3. Steve Corley, 4. Bonnie Walstrom, 5. Janet Thorne, 6. Wes Thorne, 7. Debbie Henderson, 8. Lew Wheeling, 9. Hilde Carter, 10. Alan Dean

Bubba Reinke forwarded this sad news:

"Vann York called this afternoon with very sad news. Last Sunday Kiko Garcia was working on Linda's car when it fell off the jack and crushed him. The funeral was Wednesday and Vann said that short of TICC in November it was the largest gathering he had ever seen in Brewster County. At this time there is not a Memorial set up, but if one is in the future Vann will let me know. A very sad day for all Chili Cooks, TICC, and all those that ever shared laughter with Kiko!!!"

Jokes & Stuff

A drunk gets up from the bar and heads for the bathroom. A few minutes later, a loud, blood curdling scream is heard coming from the bathroom.

A few minutes after that, another loud scream reverberates through the bar.

The bartender goes into the bathroom to investigate why the drunk is screaming. "What's all the screaming about in there? You're scaring my customers!"

"I'm just sitting here on the toilet and every time I try to flush, something comes up and squeezes the hell out of my privates."

With that, the bartender opens the door, looks in and says....."You idiot!! You're sitting on the mop bucket!!"

Holy Ducks

Three guys died in a car crash and went to heaven. When they arrived, St. Peter warned them as they entered heaven, "We only have one rule... don't step on the holy ducks."

They entered heaven and saw ducks everywhere, and it was almost impossible not to step on a duck. The first guy accidentally stepped on one within minutes, St. Peter came to him with the ugliest woman he had ever seen. "You stepped on a holy duck," said St. Peter, and then he chained them together. "Your punishment is to be chained to this ugly woman forever," he said.

The next day the second guy squashed a holy duck...Sure enough, St. Peter came with an even uglier woman and chained them together...

The third guy decided that he would be very careful. He went months and months without stepping on any ducks. One day St. Peter came toward him with this gorgeous woman ... blonde hair, blue eyes, great figure, large chest and wearing only a fig leaf. The woman is everything that the third man had ever dreamed of. St. Peter chained them together and left without a word.

The grinning chap remarked to the blonde, "I wonder what I did to deserve THIS, you are the prettiest woman I have ever seen."

She replies, "I don't know about you, but I stepped on a duck."

10. My wife and I can't come to the phone right now, but if you'll leave your name and number, we'll get back to you as soon as we're finished.

9. Hello, you are talking to a machine. I am capable of receiving messages. My owners do not need siding, windows or a hot tub, and their carpets are clean. They give to charity at the office and don't need their picture taken. If you're still with me, leave your name and home phone number and they will get back to you.

8. This is not an answering machine - this is a telepathic thought-recording device. After the tone, think about your name, your number, and your reason for calling... and I'll think about returning your call.

7. Hi! John's answering machine is broken. This is his refrigerator. Please speak very slowly, and I'll stick your message to myself with one of these magnets.

6. Hi. This is John: If you are the phone company, I already sent the money. If you are my parents, please send money. If you are my bank, you didn't lend me enough money. If you are my friends, you owe me money. If you are a female, don't worry, I have LOTS of money.

5. A is for academics, B is for beer. One of those reasons is why we're not here. So, leave a message.

4. Hello! If you leave a message, I'll call you soon. If you leave a "sexy" message, I'll call sooner.

3. Hi. Now YOU say something.

2. Hi. I'm probably home, I'm just avoiding someone I don't like. Leave me a message, and if I don't call back, it's you.

SMOKING CONDOMS

Two old ladies were outside their nursing home, having a smoke, when it started to rain. One of the ladies pulled out a condom, cut off the end, put it over her cigarette, and continued smoking.

Lady 1: "What's that?"

Lady 2: "A condom. This way my cigarette doesn't get wet."

Lady 1: "Where did you get it?"

Lady 2: "You can get them at any drugstore."

The next day, Lady 1 hobbles herself into the local drugstore and announces to the pharmacist that she wants a box of condoms.

The guy looks at her kind of strangely (she is, after all, over 80 years of age), but politely asks what brand she prefers.

Lady 1: "It doesn't matter as long as it fits a Camel."

The pharmacist fainted.

Los Angeles Police lucked out with a robbery suspect who just couldn't control himself during a lineup. When detectives asked each man in the lineup to repeat the words, "Give me all your money or I'll shoot," the man shouted, "That's not what I said!"

A bank robber in Virginia Beach got a nasty surprise when a dye pack designed to mark stolen money exploded in his Fruit-of-the-Looms. The robber apparently stuffed the loot down the front of his pants as he was running out the door. "He was seen hopping and jumping around," said a police

spokesman, "with an explosion taking place inside his pants." Police have the man's charred trousers in custody.

A man spoke frantically into the phone: "My wife is pregnant and her contractions are only two minutes apart!" "Is this her first child?" The doctor asked. "No, you idiot!" the man shouted. "This is her husband!"

In Modesto, CA, A man was arrested for trying to hold up a bank without a weapon. He used a thumb and a finger to simulate a gun, but unfortunately, he failed to keep his hand in his pocket. Wonder what he uses for a knife?

A guy sticks his head into a barber shop and asks, "How long before I can get a haircut?"

The barber looks around the shop and says, "About 2 hours." The guy leaves.

A few days later the same guy sticks his head in the door and asks, "How long before I can get a haircut?"

The barber looks around at the shop full of customers and says, "About 3 hours." The guy leaves.

A week later the same guy sticks his head in the shop and asks, "How long before I can get a haircut?"

The barber looks around the shop and says, "About an hour and half." The guy leaves.

The barber looks over at a friend in the shop and says, "Hey, Bill. Follow that guy and see where he goes."

A little while later, Bill comes back into the shop, laughing hysterically. The barber asks, "Bill, where did he go when he left here?"

Bill looks up, tears in his eyes and says, "Your house!"

Heaven or Hell?

An engineer dies and reports to the Pearly Gates. St. Peter checks his dossier and says, "Ah, sorry, you're in the wrong place."

So the engineer reports to the gates of hell and is let in. Pretty soon, the engineer gets dissatisfied with the level of comfort in hell, and starts designing and building improvements. After a while, they've got air conditioning and flush toilets and escalators, and the engineer is a pretty popular guy.

One day God calls Satan up on the telephone and says with a sneer, "So, how's it going down there?"

Satan replies, "Hey, things are going great. We've got air conditioning and flush toilets and escalators, and there's no telling what this engineer is going to come up with next."

God replies, "What??? You've got an engineer? That's a mistake — he should never have been sent down there; send him up here."

Satan says, "No way. I like having an engineer on the staff, and I'm keeping him."

God says, "Send him back up here or I'll sue!"

Satan laughs uproariously and answers, "Yeah, right. And just where are YOU going to get a lawyer?"

Probations

I am very proud of all the CASI people working hard with promoters and sponsors. In March, there were no CASI events placed on advertising probation.

I must apologize to the HRA Texas Independence Chili Cookoff for putting it on advertising probation. This event, held February 25 in Arlington, Texas, was advertised properly and should not have been placed on probation (please accept my humble apologies).

The following April cookoffs have been placed on advertising probation:

April 21 - East Texas Gusher Days, Gladewater, Texas
April 28 - Larry Joe Taylor's 13th Annual Cookoff, Meridian, Texas

AiDE Excerpts:

I received a note from Pat Krenek yesterday that pretty much summed up winning Ladies' State:

"I'm still grinning. I wore my crown to work today to show the guys at work and also brought my flowers and trophy to admire. Am I dreaming? Pinch me, please. What a wonderful feeling. I wish this feeling to every lady who cooks in the championship. WOW!"

Isn't that a wonderful sentiment? You're great, Pat.

Renee Moore writes:

"When Dixie was here for the recent cookoff, she advised me of a program on the A&E network called The Competition. It is hosted by Terry Bradshaw and recently featured the Memphis in May BBQ. I told Dixie I would contact them regarding a segment on TICC. Shown below is their response. Perhaps through the AiDE we could encourage all members to contact the A&E website to urge their consideration of TICC as a program feature. Renee

"Dear A&E Viewer,

"Thank you for your recent e-mail regarding programming on A&E.

"We appreciate the program suggestions you mentioned. We will certainly keep your comments in mind as we acquire future programming for A&E. Viewer correspondence is the best way for us to know what subjects interest our viewers. Be assured that we will continue to try and acquire comparable material, especially programs likely to attract viewers as appreciative as yourself.

"We appreciate your support. Viewer Relations <http://www.AandE.com>"

Is there really a question here? Get those fingers going and spread the word! There is no better competition than TICC!

ALCALDE REPORT

Just wanted to give a brief report to keep you updated with what's going on. I have taken receipt of the Old 320 Plaque, and have transported it to the home of Jimmy Taylor in Johnson City. The plaque is six feet tall and seven and one half feet long. It weighs approximately 1400 pounds. I must say that it is quite impressive. I want to thank John Strange with Brassco Engraving Supply for his help in getting the plaque ordered and made. John lives in Carrollton, TX., is a CASI member and saved us quite a bit of money with this project. If you see him, give him your thanks, and if the need arises, send him your business.

In April, Carolyn and I spent the Easter weekend at Rancho CASI de Los Chisos with Jim, Shirley and Elizabeth Stateczny, Jimmy and Barbara Taylor, Hut and Jackie Brown, Mel and Diane FitzHenry, John and Sue Caffey, Sandy Culpepper and Dusty DeBerry, Richard and Janita Hinds, Dru and Bruce Stewart and Harvey and Carol West. We were fortunate to have Dusty DeBerry present since he has an electric jackhammer that enabled us to dig the holes for the placement of the posts to support the Old 320 plaque. We also helped install the support posts for the new memorial board that Jimmy Taylor is having made. With Jimmy's help, we will take the plaque and the memorial board out to the Ranch this August to mount them. Most pitched in and helped, with either physical labor or moral support, and we got it done in no time. Yes, Jim Stateczny did lend a hand, contrary to his motto, that he does not perform manual labor. Photos may be available at some point.

I am also working with Susie Shaw and Tennessee Filly Promotions, on getting a design and price for the Old 320

pins, which hopefully we will be able to buy. Currently, we have a design (see the proposed design below). These will be available for a cost just under \$5.00 each. We can cut this cost in half if we place an order of 300 or more. I guess what I need to know is, how many people are interested in buying one or more of these pins. They are approximately 1/2 inch tall and 1 inch long. I will present this to the Board of Directors at the meeting in July to see if the Board would fund the initial cost of the pins. If not, then we will have to collect money from all interested before an order can be placed. Please e-mail me at dseelig@prismnet.com, or call or write to let me know if you are interested so I will have a better idea of how many pins we might need to order.

Also, if you have had a change of address since last November, please let me know. I want to keep the records current for the mailing of the Old 320 Packets that will go out some time in October.

Doug "Bucky" Seelig

Not 300% of actual size

Well, the Hot Mama's Cook-off is in the books as a very successful CASI event in Alaska.

The Sears Mall pitched a big tent in their parking lot, the judging and announcements were held inside the Mall along with a silent auction. All the Mall merchants donated items and gift certificates. Several hundred people inhaled Chili fumes and over \$500.00 was raised for S.T.A.R. (Stand Together Against Rape).

Two cooks qualified, a fat old coot with a gray beard and a first year cook who is really hooked. I hear tell the old guy has made a deposit on a motor home in El Paso and plans to make the trek to Terlingua this year along with his wife and daughter who both have a real good chance of being q'd by then.

Somebody save me a place!
