**From the President**

Welcome to Mary Ellen Gillen, the newest member of the CASI Board. Congratulations on your election and thanks for stepping up to help handle the business side of cooking chili. She and Susan Armand ran a clean campaign and both stayed on the high ground. They could teach some in our government a thing or two.

So what fun have you had this past month? What money have you raised for charity? What moments have you shared with friends? Participating in a chili cookoff as a cook, show team member, spectator, judge, promoter or any other role just ought to be fun!

Sure it is hard work to organize and run a cookoff, but the satisfaction of putting on a well-run cookoff is such a great feeling. Presenting a check to a charity is heart-warming. To all of you that have worked as the hosts of a cookoff – thank you.

Looking forward, how do we turn the fun we have with friends today into fun with new friends we meet tomorrow? How do we get these new friends to join a Pod and CASI? These are important issues to move the organization forward. If you have ideas to enhance CASI, to improve cookoffs or just in general, please share them with a Great Pepper or Board member. Growing CASI is a team effort.

See you down the chili trail, or come Memorial Day, up the chili trail for most of us, as so many will be traveling up to the Southwest Open at the Choctaw Casino in Durant, Oklahoma. Also, remember to honor our military, those that served, those that gave the ultimate sacrifice and those risking their lives today for our safety and the security of our country.

Here's to Chili, Charity and Fun!

Ed Blair

**Reflections from the ED**

Now that the CASI special election and runoff election to fill the vacant seat on the Board of Directors is completed, we can start to think about the summer Board meeting, the Annual Pod Credentialing Reports, candidate applications for the Great Pepper's meeting, and planning for the Great Pepper's meeting. Also, the TICC poster contest entry deadline is June 10.

Congratulations to Mary Ellen Gillen, the newest member of your Board of Directors. I would like to shout out a special thanks to the other candidates who stepped forward and volunteered their candidacy; Susan Armand, Richard Hewlett, and Kris Hudspeth. Hope to see several names in the hat for the annual election at the Great Pepper's meeting.

The summer Board meeting will be held July 20 at the Arlington Sheraton and all CASI members are welcomed to attend. The meeting will begin at 8:00 a.m. and will probably conclude late afternoon. There is also a workshop being planned for Sunday morning at 8:00 a.m. to include review of the CASIChili.net.

The annual CASI Pod credentialing process will begin mid-June, when the GP's will receive their email with the information and forms to complete the process. The annual Pod reports will be due back to me by August 10 this year. Do not forget to register for the Great Pepper's meeting with Bill Pierson and to make your room reservation.

By the time you read this article, Carol and I hope to have finished our move back to Texas. Therefore the Tennessee home phone number is no longer valid. The preferred method of communication is by email, CASIchiliED@gmail.com, but you can also reach me on my cell at 615-480-4024. Snail mail communication can be sent to: 216 Ashwood Drive, Elgin, TX 78621.

Dear CASI Sponsor

Thank you for your valuable contributions this year. For those of you that came to the latest edition of the Terlingua International Chili Championship, we thank you for the time you spent with us and the expense to get there. Spending time with our membership reinforces the dedication we all have to our chosen cause: to raise money for charity through promotion of chili.

Your contributions enable us to put on a first class event with many formats. Your participation shows that CASI is more than an idle use of your valuable marketing funds. Many of our sponsors come from within the membership and many others have caught the cooking bug. I think you will all agree that we do have a good time. It is hard to describe Terlingua to someone who has not made the annual pilgrimage. I think you that attended know that.

A PLEDGE WORTH REVISITING

Your services and products are diverse. We strive to support your brands and give you exclusivity where we can. The goody bags and gift items you provide serve as mementos of your generosity. If we can offer you further opportunities during the chili year, please let me know. Our champions are more than happy to make appearances on your behalf. We know your time and funds are much in demand. I am available at your call to work with your marketing people.

It is hard to believe that the humble beginnings of chili competition at such an unearthy place became modern day CASI. You have played a significant role in our growth and acceptance. For that, our membership is truly thankful. **The Chili Appreciation Society International thanks you.**

Dear Ms. Hewlett,

I would like to formally thank you and the entirety of the CASI Scholarship Committee for choosing me to receive a scholarship in 2013. It is an honor to have been selected amongst many other worthy applicants. I would also like to thank you for presenting me with a certificate earlier today at the Lewisville VFW chili cook-off. I look forward to new horizons at Texas A&M University-Commerce where I will pursue an undergraduate degree in Political Science, and then eventually move on to earn a law degree. I am enormously grateful that CASI is helping to make my dreams possible.

I hope to see you on the Chili Trail!

Congratulations to
T.J. Cannon, Corinth, TX
 2012 Terlingua International Chili Champion

Here Everything's Better.™

Proud Sponsor of TICC

ROY HUSTON of Wichita Falls, TX Wins the Midwest Regional Open

On Saturday April 27 the air did not feel like spring time in Kansas City. In fact there had been snow the previous weekend but the forecast for the Championship was for the clouds to break into a partly sunny day. It was still cold.

Well the sun never came out, but Jim Ezell did arrive with Roy Huston and Roy was able to beat the rest of the field including current TICC champion TJ Cannon of Corinth, TX.

After two rounds of judging Roy edged TJ Cannon out by just 1 point according to the judges to claim the 2013 Midwest Open Regional Championship. TJ finished 2nd, just 1 point away from Roy.

All the cooks were very excited that TJ Cannon made the trip and came to cook with them. Several cooks posed for pictures with TJ, as did many of the Outlaw Cigar staff. The Outlaw Cigar Company is a major CASI sponsor, and they were most gracious hosts for the event. Outlaw Cigar sponsors the Tequila in Terlingua party held annually in Terlingua.

Sean Plummer of Outlaw Cigar was seen wearing a Sombrero and Outlaw Cigar manager Brandon indicated that CASI had really impressed the crowd. According to sources at Outlaw the event rivaled even their impressive Cigar vendor parties which have achieved national acclaim.

The Post Commander of the Overland Park VFW Post #846, Jim Lilleston, finished 3rd and rounded out the three auto qualifiers. There were participants from Texas, Missouri, Iowa, and Kansas all shooting for bragging rights for this prestigious event.

On Friday before the Midwest Regional Open Championship CASI Directors Jim Ezell, and Lee Kroencke paid a special visit to another one of CASI's major sponsors, McCormick Distilleries, in Weston, Missouri. McCormick sponsors the Tequila Rose event annually in Terlingua.

When asked just how he was able to beat TJ Cannon, Roy Huston had only praise for TJ, and said it had been a good while since he had finished on top. Roy has been cooking CASI chili and earning points since 1993. He won 1st place in Grand Prairie, TX, in 1995 and in Desoto, TX in 1996. He was 1st again in his hometown of Wichita Falls, TX in both 2000 and 2001. He also was 1st in Shreveport, LA in 2010.

"Roy is true champion." said Gary Christensen, from Cedar Rapids, IA, who finished first in Show. "It is in the real spirit of CASI for a cook to embrace the chili trail like Roy and travel throughout the United States learning regional recipe variations and raising money for local charities." Congratulations Roy Huston, your 2013 Midwest Regional Chili Champion.

You can cook toe to toe with Roy on Memorial Day weekend in Durant, OK for the Mid South Regional Open Championship.

Cooking With CASI

Greetings everyone,

Next month is a very important month for upcoming cookoffs. Please read the following carefully and discuss it with your POD leadership, Referees, and promoters in your area.

**CAUTION ! ACHTUNG ! PRECAUCION !
All September Cookoffs MUST be submitted by
July 15 or be guilty of a flagrant violation.**

Just so there is no confusion cookoffs held in September MUST appear in the August Terlingua Trails or the cookoff is guilty of a FLAGRANT VIOLATION. (See CASI RULE 6.b page 9 of the rulebook, the penalty can be very costly).

BE SMART and submit your cookoffs early – we recommend all September cookoffs be submitted no later than July 1st, or better still *submit them today.*

It's a good practice to submit your cookoff using www.casichili.net. That way all required fields must be completed and you will not accidentally forget any key information. There is also a date and time stamp associated with each submission to verify your compliance.

There are many new cookoffs taking place, and I want to thank all of you for helping CASI grow. It doesn't seem possible that the 2013 chili year is on the home stretch but we are entering the final quarter of the year. Good luck to everyone still needing points, and thanks to each of you for all you do to support CASI.

Lee Kroencke

Kansas Women’s and Men’s State Winners With Check Presentation

On March 23rd it was a sunny but clear brisk spring morning as cooks from several states arrived at the Overland Park Kansas VFW Post 846. But before the announcements were made there was over a foot of snow and it just kept coming down.

Thankfully the cookoff was indoors, and thankfully no one we know of was injured trying to get back home. And that’s a very good thing because the competition and fun were really heating up inside. We had new cooks, we had new judges, and we had great CASI friends wh came from hours away to be here.

In addition to CASI chili and Home Style Chili there was a wings contest and a best burger contest. There was also a Juniors chili cookoff. And don’t forget the snow coming down...

The VFW post commander and members were spectacular hosts, and this was a very special event. Chili, charity, and fun were served up by the bucket loads, and even though it was slow going for most everyone on the ride home, attendees were blessed with incredible strength from the camaraderie that only CASI chili cooks can understand.

What a great time! And we were also blessed with three outstanding Champions. Ken Armand, from Houston, TX, is the 2012 Kansas Men’s Champ, and Tonia Jester, from Indianapolis, Indiana, is the 2012 Kansas Ladies Champion. The 2012 Kansas Junior Champion is Cadence Mayrand, from Lees Summit, Missouri.

A special thank you to all participants who came together and made this cookoff one for the record books. And thanks to our sponsor Blue Haven Pools and Manny Mendoza. It is thanks to everyone who made it possible for Lee Kroencke to stand out in the snow and present a check to Jim Lilleston, VFW Post 846 Post Commander.

CASI cooks and judges and hosts are the greatest! We look forward to seeing you at a Kansas Cookoff soon.

TICC Poster Contest

It's time once again to get creative and start thinking about a poster design for this year's Terlingua International Chili Championship (TICC). CASI is looking for a unique, creative design that embodies the essence of TICC and CASI. Poster deadline this year is **JUNE 10, 2013**.

Poster Guidelines

When designing the piece of art, please keep in mind that the poster is a vital element to the success of the event. The artwork chosen will not only become the official poster of the Terlingua International Chili Championship, but it will also possibly add to the development of the retail merchandise.

Artwork must incorporate the following elements:

Name of Event: Terlingua International Chili Championship
Annual Designation: 47th Annual
Location: Held at Rancho CASI de los Chisos
Date of Event: November 2, 2013

Artist should keep in mind that the finished poster must also include the CASI logo, Sponsor Logos, pictures of the previous year's winners and list the names of the current Board members.

Artwork must be original design with the use of bold colors.

Actual sizes of the finished posters are 19" X 25" and 11" X 17". Submissions do not need to be that size but they need to maintain that proportion. The 11" x 17" poster is an informational poster. Copies of previous year's posters are available in PDF format upon request. These posters may be used as a guideline for some of the content required in the design.

The artist should design an initial draft of the poster artwork. If selected, the artist will work with CASI staff in making changes and developing the final piece.

Artwork must be camera ready.

If selected, artist agrees to relinquish ownership of artwork.

If selected, artwork becomes the sole property of the Chili Appreciation Society International, Inc. The winning designer will receive credit with their name included on the final product.

If selected, artist agrees to sign and number fifty (50) prints within 30 days of request.

Submission deadline is June 10, 2013. Entries must be emailed to Richard Knight, Executive Director, at casichilied@gmail.com or you can contact Richard at 615-480-4024.

Free Quarter Page Ad to CASI Pods, State, Regional and International Opens

As a CASI Pod you are required to put on a pod cookoff once a year. To help you advertise your pod cookoff we allow each pod to place one quarter page ad in the Terlingua Trails, each year, free of charge. This ad should run the month before your cookoff occurs. Should you decide that you need an ad larger than a quarter page we will simply bill you for the difference in price. This ad should not be confused with the article advertising your cookoff in the "Cooking with CASI Calendar" section in the Terlingua Trails. That article will start to run as soon as you request your cookoff packet and will run until your cookoff occurs.
