WET WEATHER DIDN'T DAMPEN 2nd CASI HAWAI'I STATE CHILI CHAMPIONSHIP

2014 Hawaii State Champion, Larry Lutz, with Ulupalakua Ranch Store manager Diana Azevedo

Ulupalakua, Maui, HI – The 2nd annual Chili Appreciation Society International (CASI) Hawai'i State Chili Championship Cookoff was held on Sunday, July 20 at the Ulupalakua Ranch Store and Maui's Winery in upcountry Maui. The non-profit event, which was held in conjunction with the Sunday Drive to Ulupalakua, drew hundreds of spectators and chili enthusiasts and raised over $2,000 for the Maui 4-H Livestock Association.

Despite a windy and soggy start to the day courtesy of tropical storm Wali, 17 chili teams braved the elements and their perseverance was rewarded mid-morning with sunny skies and beautiful weather. The 1st place winner was Susan Dean of Johnson City, Texas who has been cooking chili competitively for 23 years with her husband, Alan Dean, who took 2nd place. This was the first visit to Maui for the couple who have competed in 24 states plus the U.S. Virgin Islands. No stranger to winning, Susan won the 2008 Terlingua International Chili Championship (TICC), the legendary cookoff in Texas.

To be declared the 2014 Hawai'i State Chili Champion, cooks must reside in Hawaii which made 3rd place finisher Larry Lutz of Kihei this year's state champ. The top three Hawai'i cooks, which also included Christine Vestfals (4th place) from Kihei and Chuck Massey (5th place) of Lahaina along with the 1st place Showmanship team, The Wine Hot Chili Peppers headed by Joe Hegele, are invited to compete at the TICC on Nov. 1, 2014. A selection of prizes donated

GETTING' YOUR KICKS ON THE ROUTE 66 MOTHER ROAD

Chili cooks came from far and wide to get their kicks at the Route 66 Mother Road Chili Cup Missouri State CASI Chili State Championship the weekend of August 2nd, in Joplin, Missouri. Cooks from as many as six states showed up Friday night for a welcome BBQ at Hogs & Hotrods Saloon, sponsored by Culver Creek Trading Company and hosted by the MOKAN Chili Pod and the Sho-Me Chili Pod. Everyone had a great time visiting, trash talking and eating some great BBQ. Live music filled the air as the party went well into the night!

Saturday morning came early as the cooks arrived to start setting up tents and cook stoves, after all, the Mother Road Chili Cup was on the line. The field was full of more than successful chili cooks. The Great State of Texas (HELL YEAH) was well represented as well as Oklahoma, Kansas, Illinois, Virginia and Missouri. We were very honored to have this year's current TICC Brian Spencer

REFLECTIONS FROM THE ED

It has been my pleasure to serve this organization as Executive Director for the last two years. I want to thank each of the members that gave their support and encouragement, and for those members that gave me challenges….thanks for the learning experience from my mistakes. As I completed the last annual report received from the CASI Pods, I was reminded once again that this organization has many wonderful volunteers doing great work for the many local charities. Fulfilling CASI's mission helps so many people in so many ways.

To say that the last two years has been a cake walk, would be a lie. The organization has seen turnover in the board, challenges maintaining our tax exempt status, and the growth of instant communications with social media outlets. But, when you accept the responsibility of being one of the volunteers on the Board, you thrive on the good times and learn from the bad times.

By the time some of you read this edition of the *Terlingua Trails*, the 35th Great Pepper's Meeting will be history and a new set of Directors and a new Executive Director will have been elected. So how can you encourage and help the new Board to accomplish CASI's mission and support the Pods?…..volunteer! … volunteer! …volunteer! This organization needs new cooks, new ideas, and new additions to our already great sponsor group to continue to thrive. The Board of Directors cannot help this organization move on down the CASI Chili trail, without people willing to turn loose of some of the old ideas and embrace the future. John F. Kennedy said, "Those who only look to the past or present are sure to miss the future."

As I write this last ED article, Ted Fichtl is the only volunteer to step forward as a candidate for Executive Director. I am excited to have Ted take the reins as Trail Master to herd this gaggle of chiliheads down the Terlingua Trail. Ted brings a strong business background and a promise to continue to improve communications. Please give Ted and all the board members your support and encouragement.

Chili, Charity, and Fun……Happy chili trails to you, until we meet again.

Richard Knight
CASI Executive Director

SHOWMANSHIP MATTERS!

Howdy, y'all!

Hope everyone has had a great summer. By the time y'all read this, school will have started and, just maybe, the weather will be starting to cool off. Maybe. We wish.

We're also getting into crunch time for show teams to begin lining up their costumes, decorations, games, and give-aways and getting ready for TICC. As we've discussed before, try to make some changes so that you're not repeating yourself from last year. Many of our judges serve every year, and they will remember if you repeat yourself exactly. Also, if you have prizes and give-aways, please try to have at least a little something for everyone. Hundreds of people go through the arena during the two hours of show, and you don't want to disappoint anyone.

Question for last year's contestants: How many people do you estimate that you served during show, or how many items did you give away? Inquiring minds want to know! This information would be valuable to future contestants.

Another question for showmanship contestants from any year: To show or not to show? What were the factors that led you to decide to show at TICC or not? I am told that participation has been declining for several years, and we've had a few empty spots in the arena that need filling. We would all appreciate any suggestions or comments for increasing the number of showmanship competitors.

Next month, I'll address the rules and guidelines for showmanship, so please be sure and let me know if you have any questions on this topic. Until then, stay pretty and wear your funny hat.

CUTOFF DATE FOR SEPTEMBER RESULTS

Cut off for September 2014 results to be received is **OCTOBER 12, 2014**. Any September cookoff results received after this date will not be posted until AFTER TICC, therefore you could have cooks who miss qualifying and will not be able to cook. Let's utilize the online payment system in September! Thank you.

NEW FEATURE ON MYCHILI.ORG

I am happy to announce a new feature on the mychili.org website. Cook-off results documents will now be able to be uploaded, and payment for the CASI sanctioning fees can be completed, on-line with a credit card.

To start the upload, log into the mychili.org site and click on "Chili Cook-offs". Find your event date on the Calendar or scroll up and down with the arrows and find your cook-off event on the list. Click on the name of the cook-off and the cook-off data sheet will be viewable. Click on the Bar "Upload Cook-off PDF Results and Pay Sanctioning Fees." A full set of instructions will then appear. Follow the instructions, upload your PDF copies of the cook-off result documents and pay the sanctioning fees online.

Need some technical assistance? E-mail: John@hillcountrysoftware.com. Please identify yourself as a CASI member and include a return phone number.

Perspective from a Tally Master:

When the TallyMaster logs onto the CIS and clicks on the "Work w/CASI cook-off file", there is a new button in the lower left corner with a title "list pending results only". When I click on this button I am given a list of results that have been scanned and uploaded. Results are displayed in the order that they have been received (very important in October). The cook-off date, identifier #, city state and name of the cook-off are all displayed. No longer will I receive blank results! The person uploading the results will be prompted for all the essential cook-off info which is very important, in order for the TM to do their job.

Next I click on the submitted cook-off. I am immediately taken to the cook-off entry screen, in the cook-off calendar. My screen shows me the email of the person who submitted the results (was this a referee?) and if the results have been paid for. There is a button for me to click "display submitted pdf results" I click and print off the results.

I then go thru the process of entering the info pertaining to the cook-off and the results. Once the cook-off is entered, an email is sent to the person who uploaded the results letting them know everything has been received.

It's really pretty cool! Prior to this I just received an email with the results. As you know these were not tied into the CIS calendar. In the beginning I had to manually let people know their results had been recorded, but with the new feature in CIS, that part is automatic. Only pdf files will be accepted, tif and jpegs are sometimes difficult to work with. I also checked with the Treasurer and she will be able to easily decipher the tally payments and it won't require a boat load of extra work on her end either.

Jenny Windsor
CASI President and TallyMaster

ATTENTION GREAT PEPPERS!!!!

Thanks to the kind donation of Tim Collier and Airway Service Inc. We are once again able to offer a raffle to benefit the Scholarship Fund. We were able to make $3500 last year and would love to double that this year. Tickets will be available to pick up at the GPM or contact NancyHewlett@msn.com.

This depends on **GREAT** Pod support in selling these tickets. Because of multiple Texas laws concerning a Texas Corporation selling raffle tickets over state lines, tickets can only be sold in Texas. Great Peppers in states outside of Texas can take orders for tickets – then purchase those tickets at the GPM and at TICC. So get out and sell those tickets and bring me your long list at the GPM!!

Winning ticket will be drawn at TICC on Saturday at 2:00 p.m. Winners do not have to be present to win!! I will be asking for volunteers to sell tickets at TICC!

Remember: **1st prize – $500 Southwest Airline Gift Certificate**
2nd prize – Basket of goodies from TICC sponsors
3rd prize – Shirt/hat/poster from 2014 CASI TICC

ANNOUNCEMENT OF BOARD VACANCY

On August 6th, Jenny Windsor, CASI President, received a letter of resignation from Lee Kroencke as a member of the CASI Board of Directors. Lee's resignation will become effective upon the election of his successor at the September 2014 Great Pepper's Meeting. In an electronic vote, a majority of the CASI Board members have accepted Lee Kroencke's letter of resignation.

Lee's letter to the Board stated:

CASI Board of Directors

This letter is submitted per the CASI By-laws as my official letter of resignation as a member of the Chili Appreciation Society International Board of Directors due to personal reasons.

The effective date of my resignation will be at the 2014 Annual Great Pepper's Meeting, following the special election of my replacement, again per CASI By-laws.

Please direct inquiries to my personal attention.

With Respect,
Lee Kroencke

The CASI Board of Directors would like to take this opportunity to express its sincere appreciation to Lee for his service on the Board.

In following the CASI Bylaws, Article V, 5.8.c, this vacancy will be added to the planned special election, which will be conducted at the 2014 Great Peppers' Meeting in September, to fill the board vacancy and the two year unexpired term through the 2016 Great Pepper's Meeting.

Any CASI member interested in being a candidate for this special election, should notify Richard Knight, CASI Executive Director, CASIchiliED@gmail.com, for an application for nomination. Per CASI Bylaws, the deadline for submitting an application is August 15, 2014.

Richard Knight
CASI Executive Director

CANDIDATES FOR THE BOARD

I would like to announce my candidacy for the CASI Board of Directors. For those that don't know me, I would like to tell you a little more about myself and remind those of you that do know me about my experience. I have been a successful business owner since 1982. I served on the Board of Directors from 1995 through 1999 performing duties as Tally Master, in charge of the Terlingua front gate and purchasing all shirts for Terlingua contestants and sales. Most recently, in the last four years I again have been in charge of buying contestant and official shirts for Terlingua.

As you can see, I am not a newcomer to the Chili World. I am a very dedicated member of CASI and understand the time, involvement and dedication it takes to be a CASI Board member. I also have the experience necessary to successfully help run an organization such as CASI.

I feel some of the most important goals CASI needs to focus on at this time is growing our membership and showing our sponsors more support than ever. We need to establish a strong budget, develop plans and goals in order to improve CASI and TICC in all the needed areas. As a Director, I would like to get all CASI members involved and with a renewed excitement for the future and growth of our organization.

I feel I would be a tremendous help working with the Directors. I believe together we can make TICC exciting again and improve CASI even more. I would like to ask for your support with my candidacy for the Board of Directors. It would be an honor to be a Director for this great charity once again.

Thank You

Harvey West

After being a member of CASI for over 5 years, and being Great Pepper of Space City Pod for 5 years, it is time for me to take the next step by running for the Board. I believe in CASI's mission and I try hard to do as much with CASI and for CASI as possible.

I graduated from Southwestern University in Georgetown, Texas with a B.S. in Education with a minor in Special Education. After graduating I taught adult special education at the Harris County Center for the Retarded. Teaching adults didn't excite me, so I started working for my mom in her insurance agency that my grandfather started in 1937, until I could find another teaching position. 31 years later I'm still at the insurance agency and am now the owner/agent at J.E. Bell & Company.

Cooking has always been a source of excitement and a way to relax outside of work. After I married my Cajun husband, Ken in 1996, I started cooking gumbo for our annual New Year's Eve party. Not long after Ken and I married, we started competing in gumbo cookoffs throughout Texas and Louisiana. I am proud to say we were invited to cook in the World Championship Gumbo Cookoff in New Iberia, Louisiana and my team brought home 3rd place in Seafood Gumbo, the first Texas team to ever place. During our travels competing in gumbo cookoffs, we met Becky & Brent Allen who introduced us to CASI.

A couple of years of visiting while The Allens were competing in the CASI cookoffs, Ken and I finally tried our hand in chili. With extra help from Keith Karaff at one cookoff, I finally got my very first point, and actually got my very first three points since I placed second. That was all it took for us to get hooked. Five years later, I still love CASI and have qualified and cooked at TICC every year, and I placed 3rd in Large Show at TICC in 2010. I have also volunteered many hours performing various tasks each year to help to make TICC an enjoyable event for all of the chili cooks and spectators. This year I was asked to run the CASI Store at TICC and have been working for several months to build a team of volunteers to run the store and purchasing the merchandise that will be offered for sale at TICC.

My strengths are that I am patient, creative, organized, and thoughtful and considerate of others. I will be a great liaison to my assigned GPs by listening to their comments, ideas and concerns with genuine care, and I will work with the other Board members, the GPs, and all CASI members to help CASI to continue to be the premier organization in the Chili world. I have excellent communication skills and have spent the last 31 years being able to break down complex policies into everyday language to help my clients to understand their insurance needs so that they can get the coverage to best manage their risk for their particular circumstances.

As a member of the CASI Board of Directors, I will bring the same level of dedication and commitment to CASI that I give to my business clients.

Thank you,

Susan Armand

TICC MEMORIAL BOARD

The Memorial Board at Rancho CASI de los Chisos is the spiritual resting place of all chili cooks and supporters who are no longer physically with us. But often, getting the information about the passing of a cook to CASI is overlooked. CASI needs your help with this. Connie Collier is in charge of collecting the names, and getting the plaques for the Memorial Board. Please send her the name of the cook/supporter who has passed, and where they lived. Send to Connie at: collier@snydertex.com. Once again this year there will be a Memorial Service on Thursday, October 30th at 7:00 pm. Carol Knight is collecting pictures of anyone whose name is on the Memorial Board to be used at this service. Please email them to her at knight_cj@hotmail.com.

SCHOLARSHIP PROGRAM

Good Day Chiliheads,

I want to take a moment to thank everyone for donating to the Scholarship Fund. It means so much too many of the students who receive these scholarships. We could not do this without your support.

That said…remember we are selling raffle tickets again this year. If your Great Pepper does not have them please contact me and I can tell you who in your area might have some tickets. Or I will just send you some!

I am getting excited about the T word but it means a lot of work in my near future. Please volunteer to help wherever you can at TICC. It takes a lot of volunteers to pull this off. The Friday Scholarship Day needs monitors, runners, registration and general helpers. Contact Patti or me if you can offer any time at all.

I will have signup sheets at the GPM for the Friday Events and I will have raffle tickets to check out or buy. I am looking forward to seeing everyone in the near future!

THANK YOU, CASI!

Dear CASI Scholarship Committee,

I am writing you to express my gratitude for the CASI Scholarship that I have received.

I am from a relatively small city called Sachse, which is in between Garland and Wylie just North East of Dallas. I attended Sachse High School, which is a 5A school and the biggest in the Garland district. While there I played on the baseball team, was a member of the National Honor Society, BETA Club, and Mu Alpha Theta. I thoroughly enjoyed my time in High School, but I know that I will enjoy my time at UT even more.

At UT I have chosen to pursue a degree in Mechanical Engineering. This is the same path that my cousin took just a few years back. He would always tell me stories about both the university and his major and how great they were. This was a huge influence on my eventual decision to go study at UT and also for me to study Mechanical Engineering. However, my goal is to continue on and receive a Master's degree in Aerospace Engineering. That way I will have better chance to land a job at an out-of-atmosphere firm.

I am so excited to begin my time as a Longhorn here in a few weeks! I am so very thankful for the scholarship that you have presented me. It will surely help me to achieve my dream of getting a great education at the best college around! In addition I would be more than willing to help out and judge one of your competitions! Again, thank you very much and Hook 'em!

Sincerely,
Tanner Luttrull

On July 12th, the Sho-Me Pod held the second annual VFW Post 5789 CCO in Lee's Summit Missouri. A check for $600.00 was presented by Steve Dowdy, current Great Pepper, and Kevin Stovall, incoming Great Pepper, to the Post to fund their Christmas in July campaign. At least another $500.00 was raised with the extra-curricular activities throughout the day. The Sho-Me Pod is proud to support the VFW and their causes to help those in need. A big shout out goes to Colleen Lintner. After coming off her first place win in Joplin at the Mo-Kan July 4th "Chilibration" , she showed up in Lee's Summit one week later to take First Place again! Jim Lilleston, incoming Regional Referee took the title in Home-style.

In addition to all the chili fun to be had, the Sho-Me Pod held elections for the next year. Incoming board members are: Kevin Stovall - Great Pepper, Cecilia Rivera - Pepper Popper, Chad Stovall – Treasurer, Marla Mayrand - Secretary, Howard Saunders and Ryan Reynolds - Area Referees, and Jim Lilleston - Regional Referee. Together with the Mo-Kan Pod we are looking forward to spreading the word of Chili, Charity and Fun in the state of Missouri!!

Adroit Theory Brewing Cookoff

The Inaugural Adroit Theory Brewing Company CASI Chili and MABA BBQ Cook Off was held on July 26 in beautiful Purcellville Virginia. The Mid-Atlantic's burgeoning chili/BBQ crowd teamed up once again to raise over $2,200 for the Lustgarten Foundation for pancreatic cancer research. So far in 2014, chili and BBQ cooks have come together to cook, raise over $5,000 for charity and have a lot of fun!

Our hosts Mark and Nina Osborne gave out custom t-shirts to all cooks featuring the brewery, CASI and Lustgarten logos. Mark and Nina also donated $400 for a series of chili themed pottery awards, and the cooks fought hard to take home one of these coveted platters, bowls and tiles. After getting a look at the awards, cooks had an incentive to give it their all. The most hotly contested category was undoubtedly People's Choice. Cooks served samples of chili, Frito Pies, BBQ and even kolaches in a no holds barred battle for charity donations and the coveted Peoples' Choice pottery plaque. In the end, 2012 Kansas City BBQ Society Team of the Year pitmaster (and aspiring chili cook) Dan Hixon of 3Eyz BBQ took home the People's Choice top prize.

Since this was a dual sanctioned event, we decided to award an overall Grand Champion to the cook with the highest combined chili and BBQ score. Chili awards were first, and a few BBQ cooks trying their hand at chili for the first time heard their numbers called. Big congrats to Bret Wortman and Don Wallace for your 10th and 4th place chili's. Now you're chili cooks too! Mr. Longship Chili himself, Jack Windsor took home the 1st place CASI prize.

After chili awards were announced, our BBQ cooks took their turn. With BBQ cooks finishing 10th, 7th, 5th, 4th, 2nd and 1st in CASI, it was truly anyone's game for the overall Grand Championship. But in the end, Kit Rudd, pitmaster of Degüello BBQ and El Chups Chili, finished 1st place in chicken and ribs and took home the overall Grand Championship. Huge shout to Bret Wortman of Redback BBQ for his Reserve Grand Championship, as this was his first chili AND BBQ cook off! Bret assured all it would not be his last of either!

CASI chili is on the move in the Mid-Atlantic and we look forward to further growth, more money raised for charity and most of all - lots of FUN!!!

Kit Rudd

Hawai'i State Championship continued from page 1

by event sponsors Ulupalakua Ranch, Maui's Winery and Shaka Pops included a hand-painted cook stove for the Hawai'i State Champion.

All chili entries were cooked from scratch on site and judged in a blind tasting by a panel of judges ranging from members of the public to local politicians and notable restaurateurs including Mayor Arakawa, Alan Wong, Bev Gannon, Peter Merriman, and Karen Christenson. The public also had the serious task of sampling the chili and voting for their favorite. The People's Choice award went to Shenanigan's Chili, cooked by the husband and wife team of Jacob and Tanya Akaka. Their chili also scored a 7th place finish by the judges. It was the first time cooking for the foodies from Kula, who attended last year's competition as spectators and decided to try their luck. The couple attributed their win to their oddball ingredients like mango and smoked meats that made their chili stand out from the rest. "We didn't know what to expect being our first competition ever," said Tanya. "We just did it for fun. When we watched people sampling our chili, their eyes opened wide with delight. People were saying they heard about it across the competition. It was an amazing experience for both of us."

Ranch Store manager, Diana Azevedo, praised the chili cooks for their dedication in the face of adverse conditions. "Chili cooks are a hardy bunch, and Wali couldn't drown their spirits. What started off as a chilly day ended up being a great day for chili! By the time their chili pots were heating up, we had blue sky and sunshine. The public support was amazing, in spite of the morning's conditions, and everyone was excited when judging and public sampling began. We couldn't have pulled it off without the generous involvement of our judging panel and the hard work of the 4-H kids who sold tasting kits and Shaka Pops. We look forward to continuing the CASI Hawaii State Championship in Ulupalakua and making it bigger and better next year."

1st Place winner,
Susan Dean from Johnson City, TX

2014 Top Ten Winners

Route 66 continued from page 1

in the field as well as former TICC Champions, Larry Walton and Tom Dozier. The field also contained many former and current State and Regional champions from around the area. It was going to be a tough Cup to win! After long hours of bragging and stirring pots, judging started and a winner was crowned. CASI Chili took center stage with over 30 cooks participating. And the results were amazing! I have cooked for almost thirty years and I have never seen results like these. Nine points separated the top ten cooks. The top three were tied and all were ladies! Four states were represented in the top 10, starting with Howard Saunders from Overland Park, KS at tenth place. Ninth through fifth place in order were, Cecilia Rivera, Lenexa, KS; Andy Williams, Corsicana, TX; Kit Rudd, Midland, VA; Kevin Stovall, Lees Summit, MO; and Larry Walton, Robinson, TX. The crazy Texan from Ennis, TX, Gary Brignon wasn't able to beat the ladies but was able to capture fourth place honors. And the top three ladies were Colleen Lintner, third place from Shawnee, KS; Grace Walton, second place from Robinson, TX and the new Route 66 Mother Road Chili Cup Champion is Allison Williams from Corsicana, Texas!

To show off the creative side of chili cooking, a home style divisions was also held with Tom Dozier of Irving TX taking third place and Howard Saunders from Overland Park, KS coming in second. The Home Style Champion was first time Mother Roader, Jerry Lambert from Corsicana, Texas taking top honors! CASI Show is always something to see at the Mother Road and this year was no different. Many cook teams came with some great set ups and the judges work hard in deciding the winners. Third place show went to Texas Hoe'rs and Alan Fennell from Irving, TX and Barry Thompson from Wichita Falls, TX took home second. The Culver Creek Posse, from Joplin, MO., was riding high and captured first place honors! The Missouri State honors went to Kevin Stovall, Missouri State Champion, Cindy Stovall from Lees Summit, MO runner up and first time CASI chili cook, Diana Tupper from Joplin, MO. placing third.

At the request of many of our Texas cooks, we held the first ever Mild Bills Hell Yeah Missouri State Bean Championship! We can't thank Gary and Kelly, the Spice Mistress, enough for the gracious sponsorship, donations and support of our event! A Missouri boy took down the mighty Texan in the bean competition with first place going to Kevin Stovall from Lees Summit, MO. Tom Dozier from Irving TX was second and Howard Saunders from Overland Park, KS was third. The Anything Goes Wing contest was close, with the top three places going to Kevin Stovall, Jon Tupper, Joplin, MO and Kevin Bradshaw, Pittsburg, KS.

We can't say enough about our host, Hogs & Hotrods Saloon located on the Historic Route 66 and State Line Road just west of Joplin, Mo. Lisa and Hill Kilby are great supporters of the MOKAN Chili Pod and we hold several CASI Chili contests there every year. The weekend was special because Jon and Diana Tupper celebrated their 34th wedding anniversary Saturday and the Hills celebrated their 17th wedding anniversary Sunday.

We were able to raise lots of money for our charities and the "HELL YEAH" bucket raised over $400 for the Special Ops Project. Our charities receiving donations were Bikers Against Child Abuse, Special Olympics, Bright Futures – Neosho, Mo. and Joplin Shiners. We would also like to thank the many cooks that stayed over and cook Sunday at our host hotel the Holiday Inn – Joplin in the MOKAN Chili Pod cook off.

It was a great weekend and we couldn't have done it without our many sponsors which included Mild Bills Spices, Hogs & Hotrods Saloon, Williams Chili Seasoning, Culver Creek Trading Company, Images in Tile, Holiday Inn – Joplin, The Sho-Me Chili Pod, Missouri Eagle Distributing and Big Ugly Sportswear.

So the 2014 Route 66 Mother Road Chili Cup Missouri State CASI Championship is in the books. It was a great time by all. If you were able to make it this year to the Mother Road, we can't thank you enough and we look forward to seeing you next year. If you didn't make it this year, you sure missed out. Don't miss out next year, mark your calendars for August 1st, 2015 when we will gather at Hogs & Hotrods for the biggest CASI chili cook off on the Mother Road!

Free Quarter Page Ad to CASI Pods, State, Regional and International Opens

As a CASI Pod you are required to put on a pod cookoff once a year. To help you advertise your pod cookoff we allow each pod to place one quarter page ad in the Terlingua Trails, each year, free of charge. This ad should run the month before your cookoff occurs. Should you decide that you need an ad larger than a quarter page we will simply bill you for the difference in price. This ad should not be confused with the article advertising your cookoff in the "Cooking with CASI Calendar" section in the Terlingua Trails. That article will start to run as soon as you request your cookoff packet and will run until your cookoff occurs.
