50th Annual Howdy-Roo To Honor It's Founders

That is when Aqua Boom in Kingsland, Spring Ho in Lampasas, the Burnet Fiddler's Fest and Howdy-Roo all got started. Clyde Griffin held the first meeting of the Marble Falls group, and it was decided to have an old fashioned country festival and a chili cookoff. There was a "Name that Festival" contest held which was won by Bill Kennon. He was therefore given the honor of being the first Honchoroo of Howdy-Roo, the name he submitted. His was the only entry, but it was a good one, and a lasting one.

Bill Wilcox (Clements-Wilcox Funeral Homes of Burnet and Marble Falls) had attended a chili cookoff, therefore had some expertise, and helped organize the first Howdy-Roo. From that

1972: The Highland Lakes Tourist Association urged all the area Chamber of Commerce's to have an event to promote tourism.

beginning Bill has sponsored one of the granite trophies. The chili cooks treasure the granite, State of Texas trophies.

The first Howdy-Roo chili cookoff was held on April 8, 1972, on the school grounds (currently the elementary school). There were twenty cooks at this first cookoff. Mary Griffin of Marble Falls and Gary Hahne tied. Because of this tie they awarded a men's and women's division. This was done for three years.

The Highland Lakes Pod (HLP) was founded in 1977 by Clyde and Mary Griffin of Marble Falls and Darrell Staedtler of Llano. Clyde and Darrell were co-Great Peppers of the pod. They received a letter inviting them to the first Great Peppers meeting held on September 6, 1980 at Paul Smith's Sky-High Ranch near Weatherford. Clyde and Mary attended, representing the Highland Lakes Pod. The pod filed to be incorporated September 8, 1982. The official Articles of Incorporation are dated February,

1983. The Registered Agent was Clyde O. Griffin. At this time the members voted to have The Supreme Great Pepper be Clyde Griffin. No other Great Pepper shall have such designation in the pod.

In 1986 the World's Biggest Pot of Chili was part of the Texas state wide Sesquicentennial celebration in San Antonio. HLP members Clyde and Mary Griffin, Ruby Ross, Sharon Roy and Red Caldwell, along with many other chili heads were called upon to

help turn 4,000 pounds of meat into the largest pot of chili in the world.

In 1988 R.V. Turney, who was GP that year, presented the winner with an apron. This apron is still passed on the new winner each year.

In 1990 it was decided the chili cookoff and chamber would have

separate events. Highland Lakes Pod continued to sponsor the Howdy-Roo Chili Cookoff the first weekend in May. The Highland Lakes Pod made application for the Howdy-Roo Trademark and Tradename. Howdy-Roo is owned by HLP.

In 1996 HLP began having Howdy-Roo on Saturday and the Backbone Cook-off on Sunday. In 2011 Howdy-Roo was granted the CASI Regional CCO with an automatic sanction for the top three winners. BBQ and beans were added also this year.

From the CASI President...

As COVID cases seem to be decreasing, it's encouraging to see the increase in the number of cookoffs. Some of the larger cookoffs have occurred - Tri-State, Texas Open and Texas Men's State - with Texas Ladies State and Howdy-Roo on the horizon.

A recent weekend in Texas found five cookoffs within a 100-150 mile radius. While cooks had several to choose from, it also diluted the attendance at some of the cookoffs.

I'm always fascinated to hear stories of how folks began this hobby of cooking chili. In late 1983 in my other life, we were trying to find something to do to occupy our weekends. We heard about Czchilspiel in Flatonia and decided to attend - but not participants. The first thing we noticed were the showmanship teams and how much fun they seemed to be having, not to mention the crowd response.

We also realized the lack of showmanship that appealed to children, of which there were many in attendance. My first show

consisted of dressing as clowns, in full makeup, doing face painting and providing games for children to play.

While we qualified for Terlingua in 1984, I failed to get my first chili point for many months. And that was all right. The sheer joy from attending cookoffs and meeting so many wonderful people was all worth it. My chili family is now, and will always be, near and dear to my heart.

I miss the days of Great Southwest Show Team, Tex Swindle's Medicine Show, Tejas Medicineman, Planet Texas - the list goes on and on. Those were the days of big shows along the lines of variety shows.

It's sad to see some cookoffs not having three show teams competing. I have to wonder if this is also contributing to the lack of public attending. How many times have we said "who wants to come watch a group of people stirring chili pots"?

Let's start a conversation about how we can revive interest in showmanship. Yes, it's a lot of work and can be costly, but the rewards are great. If you have ideas or suggestions, please let me know. Call, email, text, Facebook or approach me at a Cookoff - I'd love to hear from you.

Stay safe out there, get those points, and I hope to see you on the chili trail soon!

Renee Moore

Chili Year 2021–2022

Greetings from your TallyMaster. I would like to thank everyone that has submitted results in a timely fashion. It is not fair to the cooks to keep looking for those points. Qualifying numbers are sent monthly in the order the paperwork is received. What will

help me immensely; legible writing, using the correct form, submitting complete paperwork and mailing to the correct address. If you are not sending it to Hobbs, New Mexico it's not getting verified. If you are struggling to submit results through the casichili.net page, please feel free to reach out to me.

TIP of the Month—If you wish to change your show name, please do this at the beginning of a new chili year. Mid-year changes confuse referees submitting results and add extra work for the TallyMaster!

If you have any questions please call or email.

The Champ: Ready for Spring!

Well, just when you think Spring has arrived, another blast of Arctic air comes down and we're back to winter! Crossing my fingers that this latest blast is the end and we'll be full into Spring. We certainly had more than our share of cold at the Texas Open. The attendance reflected the cold weather, as I'm sure many cooks opted to stay home due to the weather. Nevertheless, 86 cooks braved the cold and came out to compete and see who is the best in Texas. Most of us put up canopies with walls and even firepits, under the pavilion. Anything to keep that cold wind out! I was very fortunate to finally place in the top ten in that cook-off. I had been on the final table once before, but never in the top ten. I was thrilled to win Ninth Place in Chili! I was also very happy for several of my teammates that made the final table and the top ten—including the First Place Show team of Linda and April McDonald! Congrats to them and to everyone who had their number called. ***A big congratulations to Joey Splitter, our new Texas Open Champion!***

From there it was on to Tyler for the Rose City Pod Cook-off, a

mere 400 miles from home. We got an early start Friday morning, so as to be there by mid-afternoon. We were welcomed with open arms. Blu and John Daniels, as well as Clayton and Patti Jones from the Pod, made sure we didn't want for anything. Sending my best to the Great Pepper, Randy Riggs, who suffered a stroke on Thursday before the cook-off. He seemed to be doing well after a couple of nights in the hospital as he came out to check on everyone on Sunday!

We were joined on Saturday by our Louisiana teammates, Ricky Bobby and Cherry Powell. (our thoughts go out to them on the loss of his Dad on March 10) Always great to cook with them, as it doesn't happen too often. We didn't get any love from the judges but did place Second Place in People's Choice.

We'll be busy the next few weeks at Sutherland Springs, Texas Men's State, and Texas Ladies State, with a steak cook-off in George West thrown into the mix! I certainly hope we'll see you on the road at one or more of these cook-offs. Until then, safe travels, and may you hear your number called last!

No love from the CASI judges, but we did win the hearts of the public. We got Second Place People's Choice Chili!

I'm so thrilled to finally crack the Top Ten at the Texas Open!

Congrats to my teammates April and Linda McDonald on winning First Place Showmanship at the Texas Open.

A rarity: Brent and I got to cook with our Louisiana teammates Ricky Bobby and Cherry Powell at the Rose City Pod Cook-off.

55th Annual TICC Poster and T-shirt Design Contest

It is time once again to get creative and start thinking about artwork designs to promote and commemorate the 2022 Terlingua International Chili Championship (TICC). This will be the 55th TICC and CASI is looking for unique, creative designs that embody the essence of the TICC and CASI.

The deadline to submit your artwork designs is Monday, June 13, 2022.

Poster Guidelines

When designing the art, please keep in mind that the poster is a vital element to the success of the event. The chosen artwork will not only become the official poster of the Terlingua International Chili Championship, but may also be used to develop retail merchandise such as T-shirts and hoodies.

Artwork *must* incorporate the following elements:

Name of Event: Terlingua International Chili Championship
Annual Designation: 55th Annual
Location: Held at Rancho CASI de los Chisos
Date of Event: November 5, 2022

Artist should keep in mind that the Sponsor logos, CASI logos, pictures of the previous year's winners and names of the current Board members will be included in the finished poster.

Artwork and/or photos used must be original designs, no copyrights, with the use of bold colors.

Actual sizes of the finished posters are 18"x24" and 11"x17". Artwork does not need to be that size, but needs to work within those proportions. The 11"x17" poster is an informational poster.

Copies of previous years' posters are available in digital format upon request. These posters may be used as a guideline for some of the content required in the design.

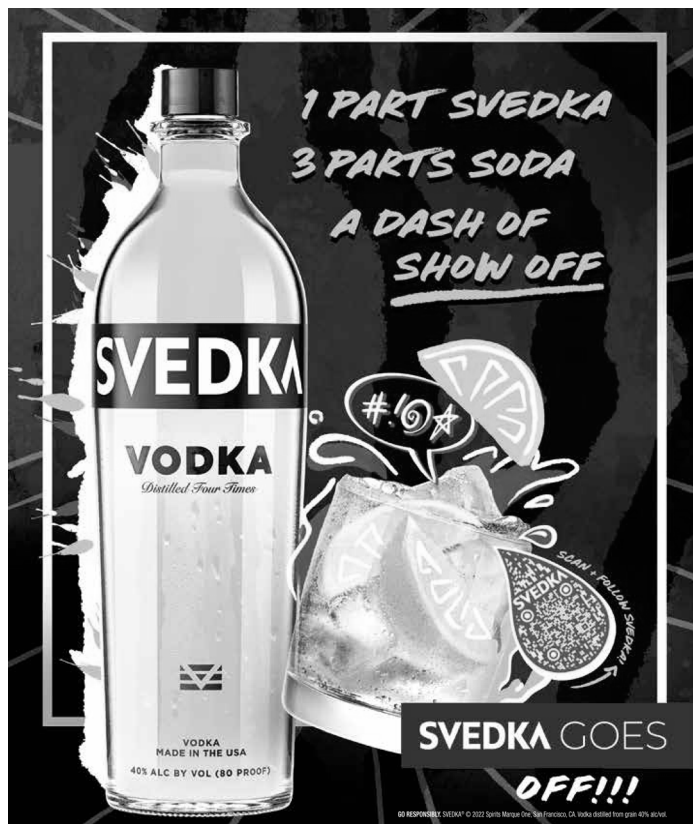

The winning artist will work with CASI staff in making requested edits or changes to develop the final version of their design. Artwork must be digital or camera ready. If selected, artist agrees to relinquish ownership of artwork.

If selected, artwork becomes the sole property of the Chili Appreciation Society International, Inc. The winning designer will receive credit with their name included on the final products.

If selected, artist agrees to sign and number fifty prints within 30 days of request.

Remember, the submission deadline is Monday, June 13, 2022. Multiple submissions are encouraged. Entries must be emailed to Brian Spencer, Executive Director, at briancasied@casichili.net.

Make No Mistake: CASI Cook-off Listing Info Is Key

By **Bill Pierson**
Senior Referee
Volume 6, Number 4

When you see a cook-off listing in the *Terlingua Trails* or on the CASI website, you should expect the information contained in that listing to be accurate. Rightfully so. Occasionally, a person other than the person who listed the event, will produce the cook-off promotional material, sometimes months later. But what happens when the two parties get their signals crossed, and information differs between the CASI listing and the printed material?

If the discrepancy is caught in time, one of the sources can be changed thus preventing

any problem; and I would not have material for this article. So I will consider three areas where the information disagrees and it is too late to correct the published materials.

If the entry fee shown on the printed flier is lower than the CASI listing, there should

not be much of an issue. You could defer to the CASI listing

and charge the higher fee, or go with the lower fee and reimburse anyone who pre-registered at the higher fee. However, if the amount shown on the printed flier is higher than the CASI listing, some cooks might object to being charged more than they expected. They could point to the CASI listing and demand the lower entry fee, and I would agree with them. Cooks are customers and they are always right.

If the meat type given on

the cookoff flier disagrees with what the CASI listing says, that is more problematic. For example, if the CASI listing indicates the open meat category, but your flier says ground meat only, a cook showing up with cut meat could be real upset if not allowed to cook. You would

have a very unhappy cook and a possible protest. You don't want either.

The chili turn-in time listed in the CASI cook-off listing is rather inflexible. Cooks plan their schedule around that

time. If there is discrepancy between the information sources, the CASI listing should take precedence. If a later time was desired, and all the cooks agreed to that, it would be acceptable. However, moving the time up, without prior notification, could cause a cook to miss the necessary time to cook. Like the previous example, this could result in trouble you don't want.

So, make no mistake, the information contained in the CASI cookoff listing is the default information.

Let's keep our ducks in a row and have a great spring and summer season.

But what happens when the two parties get their signals crossed, and information differs between the CASI listing and the printed material?

Trails Advertising Update

As we continue the transition from a paper "Terlingua Trails" to an online version, exciting changes continue to happen. The publication is no longer limited in size and Mike Watkins and Carol Knight make the magic happen seamlessly. A new Trails policy was adopted during the recent winter board meeting that included advertising

guidelines and fee schedules.

The two major changes include *two additional months for the PODS to advertise their cookoffs for free* and the creation of the "Business Card Special". **For \$50 a year** (renewable in December) your business card or small ad (business card size) will appear in the Trails. These ads can be simply your business card or PODS can create a business card size announcement advertising their cookoff. Some that come to mind "Howdy Roo in Beautiful Marble Falls, Always the first weekend in May" or "Space City Pod; Always the first weekend in June".

Sounds great doesn't it? Email a digital original or a high-resolution scan of your business card to news@casichili.net and send the payment to the CASI Treasurer; Mike Whitten. The new policy and rates are published on page 32 of this edition. The Treasurer's mailing address is on page 33. If you have any questions or comments about the new policy please let me know.

UPCOMING EVENTS

CASI

Some people have contacted me about their cookoffs not being in the Trails. Cookoffs must be submitted before the 15th of the month in the month before the Cookoff date to be listed in Upcoming Events. Remember, to meet the cookoff advertising requirement, upcoming cookoffs must be publicized in the Terlingua Trails in the month prior to the event OR be approved and appear on the official calendar 30 days prior to the date of the cookoff. The website always is the most current list of events.

You may enter your information at www.casichili.net or you can complete the Upcoming Cookoff Information form found in the Trails and send it by mail to me at CASI Events, 24810 Red Oak ST, Magnolia, TX 77355 or by email to casievent@casichili.net.

If you have any questions you can reach me at 281-772-2583. Be sure to use the form online to submit or the form located in the Trails. The older versions do not have all the necessary information. Often email addresses, telephone numbers and addresses are left off and I must have them.

When you do not request a rule book or tickets, you will not be mailed a packet. You will instead receive an email with the necessary forms for the cookoff. Please print out the forms and be sure to fill in your event number, date, name and place.

Free Quarter Page Ad for CASI Pod, State, Regional, and National Open Cook-offs

All CASI Pods are required to conduct a pod cookoff once a year. To help advertise your pod cookoff, you may run a quarter-page ad TWO MONTHS before and in the month your cookoff occurs. This courtesy is also extended to State, Regional, and National Open cookoffs. If you want an ad larger than a quarter page, we will bill you for the difference in price.

This ad should not be confused with the article advertising your cookoff in the "Upcoming Events" section. That article starts to run in the next issue after your cookoff is registered and continues until your cookoff occurs.

EVERY COOKOFF RECEIVING A FREE AD IS REQUIRED BY CASI POLICY TO SUBMIT AN ARTICLE AND PHOTOS TO THE TERLINGUA TRAILS AFTER THE EVENT. IF NO NEWS ABOUT THE COOKOFF IS SUBMITTED WITHIN 60 DAYS AFTER THE EVENT, IT WILL BE BILLED FOR THE FULL COST OF THE AD.

SUBMISSION DEADLINE is the 15th of EACH MONTH.
