

Let’s Hear from our Director Candidates

*Candidates for the Board of Directors, to be voted upon at the 2022 Great Peppers’ Meeting
Left-to-right: Renee Moore, Melissa Pate, Nancy Hewlett, Steve Herries and Cyndi Coyle*

Renee Moore: Some recent questions I’ve received: Have you lost your mind? What were you thinking? Are you a glutton for punishment? The answers all boil down to one thing—my love for CASI, chili and cooks.

I started this chili cooking hobby in 1984 and have never regretted a day of it. I have made innumerable friends over the years and visited cookoffs in locations I had never been and may never have visited. To say it has been rewarding would be an understatement.

Renee Moore candidacy letter continued on page 8

Nancy Hewlett: I really do not think I am a stranger to anyone, but just in case: When I joined CASI in 2004 I immediately looked for ways to become involved. I started as the Treasurer for the DAM Pod (a position I still hold) and I became a committee member for CASI Scholarship. I soon realized that my interests lay in the Scholarship area. I took on the job of Scholarship Administrator and held that position for six years. It was then I decided to run for Director.

Nancy Hewlett candidacy letter continued on page 8

Cyndi Coyle: Hello Chili Friends, for those that do not know me, my name is Cyndi Coyle and I am from the very small town of Carmine, Texas. I started cooking chili by accident in 2017. I decided just on a whim to make chili and it was good for home-style chili. That following weekend was the annual Round Top Family Library Chili Cook-off Fundraiser, so we entered and got 6th Place. I was hooked!

At that time, I had never heard of CASI and had no idea there were competitive cook-offs. So, off to the

Cyndi Coyle candidacy letter continued on page 8

Melissa Pate: I am very excited to announce that I am running for the Board of Directors of CASI. Despite my jokes, my decision was not taken lightly, nor was it spur of the moment. It was a decision I have thought about for years but waited until I thought I was ready.

I have been cooking chili for eleven years. In those years I have attended the Great Peppers’ Meeting many times, just as a member. The first time I went I was so impressed with the professionalism shown by the people

Melissa Pate candidacy letter continued on page 8

Steve Herries: My term on the board is up and I am excited to announce that I will be re-running and hope I have your support. Despite the enormous learning curve, I have enjoyed my time as Ranch Manager. With Don Hoy’s help, I now know what it takes to maintain the property and buildings. This job doesn’t just happen at TICC, but requires many visits throughout the year. I feel like we have made some much-needed improvements to the Ranch; new insulation and a new A/C unit in the gate

From the CASI President...

I am so proud of how many “volunteers” CASI has. Cook-offs, small and large, could not be conducted without volunteers. There are monitors,

drink runners, head judges, referees, registrars...the list goes on and on. And, in some regards, the chili cooks and show teams are also volunteers helping the charity to get the most bang for the buck.

The CASI Board and Off-Board Support are essentially volunteers. No money changes hands, but major work gets done. *However, your Board and Support team cannot do it all!* Without the countless volunteers at TICC, the cook-off would not happen. I know the majority of the attendees are there on vacation and to ultimately be on the stage! Aren't we all? ***But your help is needed.*** Most assignments only take a maximum of three hours, some more, some less. Our TICC Sign Up Genius is up and running and ready to allow you to reserve a few hours during the week of TICC to volunteer. Please point your web browser to <https://casichili.fun/2022vsu> or point your smartphone camera app at the QR code included here and help make TICC the absolute best yet!

As some of you know (but many do not), our beloved Wendell Rankin has officially

retired from painting stoves. Wendell has spent countless hours in creating and painting our trophy stoves. Count yourself lucky, if you have received one! When you see Wendell, please express your appreciation to him for his work through the years for CASI.

Yes, you will continue to receive a stove if you are fortunate enough to place 1st in the chili or show categories at TICC. The Board is currently investigating avenues for the production of the stoves.

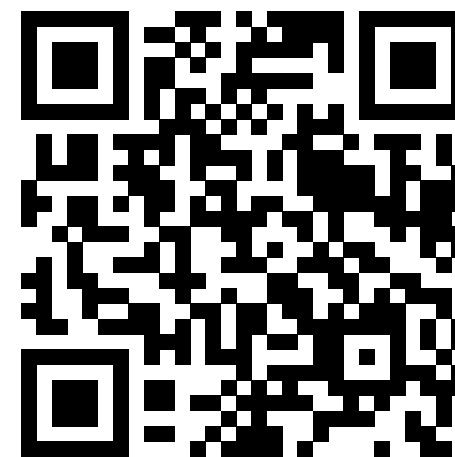

The end of the chili year is fast approaching. I wish you good luck in securing your needed qualification points (and hope I get mine).

☺ I hope to see

many of you at the Great Peppers' Meeting in just a few weeks! All the information is on the CASI website.

HOT SAUCE

GETS YOUR CHILI COOKIN'!

The image features a large, light green ceramic bowl filled with a hearty chili. The chili is made with ground meat, diced tomatoes, and onions, and is topped with a generous amount of Louisiana Hot Sauce. To the right of the bowl stands a bottle of Louisiana Hot Sauce. The bottle has a yellow label with red and blue accents, featuring the brand name "LOUISIANA" in large, bold letters, followed by "THE PERFECT BRAND" and "HOT SAUCE". Below this, it says "ONE DROP DOES IT®" and "NET 12 FL OZ (354 mL)". The neck of the bottle is wrapped in a yellow band with the word "ORIGINAL" repeated. The background is a bright yellow with a red scalloped border. In the top left corner, there is a circular logo with the text "THE ORIGINAL 'LOUISIANA' BRAND HOT SAUCE" and a red circle with a black outline. In the top right corner, the text "GETS YOUR CHILI COOKIN'!" is written in large, bold, red letters.

Greetings from your TallyMaster. I would like to thank everyone that has submitted results in a timely fashion. Submitting all results and payment online is the quickest most efficient way to keep the cooks points updated. Qualifying numbers are sent monthly in the order the submissions are received. Results submitted online helps with the illegible handwriting, incorrect forms being used or submitting incomplete paperwork. Yes we get a lot of those. If you are struggling to submit results or payment through casichili.net, please reach out and we can get that issue resolved.

Let's Hear from our Director Candidates *(continued from front page)*

Melissa Pate

I've met cooking and camping with (the board members.) I saw these same people work with all seriousness to better our organization and set goals to achieve throughout each business year. The organization became so impressive in my eyes, more than just a pot of red. (I would recommend to all cooks, please go to the Great Peppers' meeting in September. You will not be sorry.)

After seeing and hearing the debates and dilemmas of our organization, my first thought was, "How can I help?" I began with learning as much as I could about running a cookoff. Then I began volunteering for anything I felt I could contribute with at TICC. I am a very active volunteer at TICC. I am always out working the bar, the store, the gate, monitoring, working registration. I love helping people and meeting new friends, and that's what keeps me going.

I volunteered and became the Assistant TallyMaster during CASI's transition of software. My duties were to upload and enter all cookoff results as they were uploaded or mailed to me. I learned the prior system and helped convert (with the IT group) to the new system. Upon my leaving, I wrote the guidelines needed for my successor to follow in my footsteps. I also would assist the TallyMaster at TICC registration. I enjoyed it immensely. I stepped down because I really felt the job needed to be done by the TallyMaster, themselves. Additionally, I was ready to focus my attention locally.

After moving from the Houston area (where I was quite active in all the Pods in one fashion or another), I have served as Great Pepper for SOT Pod in the Austin area for the last three years. I am also Treasurer for my small HOA, here in Wimberley, and have been doing that for three years, as well.

My work history consists of seven years in bank operations, two years of clerical work at Electronic Data Systems, and about ten years working in the front office of various orthodontic and doctor offices. I've lived in Michigan, Colorado and Hawaii. Texas is where I was born and where I hang my hat.

My husband of 40 years (Rolland) is very supportive of my decision to run for the board. After I started cooking chili, work was really cramping my chili schedule, so I quit my job and focused on CASI and everything that went with it. To say I love this organization is an understatement. It is my life. I feel that now it is time for me to step up and help continue the great work CASI does for "Chili, Charity, and Fun." I hope you will support me as I continue my service to this wonderful organization in the best way I know how.

Melissa Pate

Renee Moore

As you are all aware, CASI has faced quite a few challenges over the past couple of years and the road ahead is still filled with obstacles. The most significant at this time is the price of fuel—not only for our vehicles, but also our cook stoves.

I certainly do not have all the answers, but again desire to be part of the process going forward. It would be an honor for me to again serve **YOU, the membership**, on the CASI Board.

I am available at any time to take your questions, comments and, yes, your complaints. Suggestions are always welcome. Your vote at the September Great Peppers' Meeting would be appreciated.

Renee Moore

Cyndi Coyle

Internet and Facebook I went to find out more. I had a hard time cooking and competing at first, as I did not know what in the world I was doing. It was hard and I almost quit cooking within a few months. I would not be cooking chili today if it wasn't for some veteran cooks that took me under their wing.

My first win was at the Backbone Creek auto-qualifier. I was in shock and

watched the video over and over. I took off from there. I had so much fun cooking, traveling and meeting new people.

Cooking chili is a lifestyle that once you find it, you cannot get away from it. I want to bring more people into that lifestyle. Over the past few years, I have noticed more and more small cook-offs disappearing. It is time to help them come back and create more. This is one of the reasons I started a pod in Fayette County, Texas called the Colorado Valley Chili Pod. We had several new cooks at our first pod cook-off that not only did great, but went on and competed at other cook-offs and have joined CASI. Not only that, we have created two more cook-offs in Carmine. Together, we can bring more people into this wonderful hobby and that is why I have decided to run for the Board of Directors.

Not only have I started a pod, but I am also on the Texas Ladies State (TLS) Board. I love helping out at cook-offs as well. My favorite is being a monitor. I always ask the judges where they are from and get a great conversation going. Volunteering is not the only thing I do. I am always on the lookout for sponsors, raffle items and other things. I want to help out as much as I can. Which is why you have seen Royer's Pies at so many cook-offs.

As a director, I will promote "Chili, Charity and Fun" to everyone. It is my goal to visit all the pod cook-offs within the next two years. I want to bring more people into the hobby that I love and where I have found the best of friends. I want to hear what other cooks are wanting and needing from the board. The board is here for the cooks and I want to be that person for you.

With your vote, I promise I will work hard and be on the board for as long as you allow me to be.

Thank you for your consideration.

Cyndi Coyle

Chili On!!!

Nancy Hewlett

I actually took on the position of Upcomings before I was elected as a Director. I managed that job until last year. I am the Director over the Scholarship Program so the Friday Events at TICC keep me busy.

As you can see, I am not a sit back person, so my only option was to run for Director again. I am just not ready to retire. I still feel that I have a lot to give.

I hope I can count on your continued support in this role. I would like to also encourage others to step up and volunteer. It is very rewarding.

Nancy Hewlett

Steve Herries

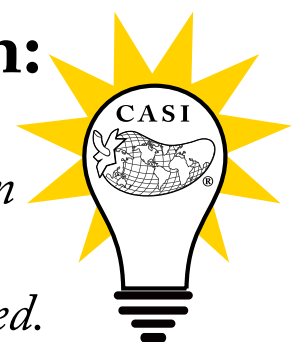

entrance building, new siding on the other buildings, fixing the water catch basin; I could go on and on. So, I am ready to continue working hard at the Ranch with your vote.

I also wanted to thank everyone who has been willing to help, including my wife, Lori. Without her keeping me in line I may have fallen off the cliff (literally). I have enjoyed these past two years and hope I have done enough to earn your trust to vote me in for a second term.

Steve Herries

From the Champ: Looking for Cooler Climes

In an effort to be on time this month, I am actually starting my article several days before it is due! But, with not much to talk about, it might still take me a long time to actually get it written.

Things have been pretty quiet with us. It is just too hot to get out and cook! I am sure unless you are chasing points probably most of you feel the same way. I really do not have anything on my schedule until into the fall, so if you have a cook-off coming up and you'd like me to come—please let me know. *Especially if you're somewhere cool and green.*

Every week I see several of you getting your big “Q” and I know you are relieved that you do not have to cook in the heat anymore, unless you want to. Of course, we cannot all quit cooking in the summer, because our charities will suffer. We certainly do not want that to happen! Maybe we should consider sending what would have been our entry fee to the charity as a donation...just something to think about.

Brent went to Shiner, Texas for a steak cook-off on the evening of Friday, July 1st. He lucked out and got a spot under some trees and had a breeze. He placed 6th.

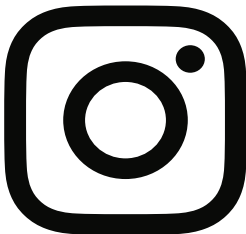

We did have a couple of teammates come visit for the 4th of July weekend. It was great to spend a relaxing weekend with Butch and Kathie Cielencki. Brent did put Butch to work helping him with a plumbing project, but they knocked it out pretty quickly. You will see in the pictures that they had a great supervisor (or is it supurrvisor?)

Brent has also picked up a new hobby—cornhole. He is doing pretty well at it and mentioned that it was the easiest hobby to get ready for that he has ever had. Keep your bags in the truck and all you have to do is go! And, most of the tournaments he plays in are in air-conditioned buildings. Let's hope we do not lose him to that hobby on a permanent basis.

Many of you are chasing that last elusive point and quite a few of you are getting ready for the GP meeting happening in September. I doubt I will see you at a cook-off anytime soon,

and I am not sure yet if we will be at the GPM, but I am sure we will see you down the chili trail somewhere. Until then, may your number be called last!

Quick Takes from the Chili Trail

The 15th Annual Mustang and Cowboy Cook-offs are in the books and they were great ones. Each year the weekend prior to the 4th of July, the City of Marathon, Volunteer Fire Department sponsors a two day chili cook-off. This year the Sunday cook-off was the SOTOL Pod automatic qualifier. The cooks enjoyed the beautiful scenery and hospitality of the Marathon Motel and RV park.

The general public not only came out for the BBQ plates being sold to raise money for the Marathon PTO and Fire Department, but to judge some great chili. After the judging was complete the cooks danced the night away to The Spur of the Moment Band featuring Craig Carter, Marathon native. Set your calendars for July 1st and 2nd, 2023.

Jennifer Hanson takes first place in Marathon, Texas at the **Cowboy Chili Cook-off** held on July 2.

What do you do when you have five current or former board members who also happen to be TICC Champions in one place? You take a picture, of course!

Ferida Idries

I recently graduated from North Garland High School. I am extremely passionate about voting and politics. I worked as a student poll worker during the 2020-2021 school year. I assisted in setting up machines and helped make a safe voting area for everyone. I also worked as a library aide, where I assisted the school librarian as needed. Lastly, I worked as a student athlete trainer aide. I helped athletes learn correct workout form to help prevent them from incurring injuries.

I plan to attend Texas A&M. I chose Finance as my major and career goal is to become a financial advisor.

Make No Mistake: Officials’ Membership Maintenance

By **Bill Pierson**
Senior Referee
Volume 6, Number 8

Not very long ago I was asked a question with regards to the requirement of pod officers and referees to maintain their CASI membership during the current chili year. This is found in Article XIV, Section 3 of the CASI Bylaws. The question and subsequent discussion centered on the phrase, “...membership

must be maintained throughout the entire Chili Year in which they will be serving...”

We are getting into the season when pod credentials are submitted and membership status verified, so the question was timely.

Pod officers and referees, along with CASI Directors and off-board support staff, are considered CASI officials. It is only natural to expect officials of an organization, to be members of that organization, so it was written into CASI Bylaws. Back when that requirement came to be, CASI membership was for the period October 1 to September 30, so you either were a member or you were not.

When CASI changed the membership period to an anniversary based system, it

created an issue for certain individuals. Not at first, since just about everyone was still on the chili year system. Eventually, as new people with anniversary date memberships began to take leadership positions, the issue grew.

The CASI Executive Director was in charge of the pod officers and referees at the time and was having trouble with people who were members on October 1, but had their membership expire before the end of the chili year. Consequently, the bylaws were amended to add the, “throughout the year” stipulation.

My questioner reasoned that a member who renews their membership prior to the expiration date is maintaining their membership, and to a certain extent, that is true.

However, we no longer have a mechanism to check for delinquent renewals, and we did not want to be shifting names on and off and on again the lists of referees and officers. The solution was to require that membership be for the entire year on day one.

I took over the verification of referees’ membership in 2015. Since that time, I have worked with several Membership Directors and individuals, and we have gotten quite a few of them to the September 30 expiration date.

Make no mistake, if you will be a pod officer or referee in the 2023 chili year, your CASI membership must be paid up through at least September 30, 2023.

Free Quarter Page Ad for CASI Pod, State, Regional, and National Open Cook-offs

All CASI Pods are required to conduct a pod cookoff once a year. To help advertise your pod cookoff, you may run a quarter-page ad TWO MONTHS before and in the month your cookoff occurs. This courtesy is also extended to State, Regional, and National Open cookoffs. If you want an ad larger than a quarter page, we will bill you for the difference in price.

This ad should not be confused with the article advertising your cookoff in the "Upcoming Events" section. That article starts to run in the next issue after your cookoff is registered and continues until your cookoff occurs.

EVERY COOKOFF RECEIVING A FREE AD IS REQUIRED BY CASI POLICY TO SUBMIT AN ARTICLE AND PHOTOS TO THE TERLINGUA TRAILS AFTER THE EVENT. IF NO NEWS ABOUT THE COOKOFF IS SUBMITTED WITHIN 60 DAYS AFTER THE EVENT, IT WILL BE BILLED FOR THE FULL COST OF THE AD.

SUBMISSION DEADLINE is the 15th of EACH MONTH.
